Hi

A lot has happened since our last newsletter. For me, there were two events that I will always remember. The first was my first showing/attending/working at a National and the second was my daughter winning a BIS.

The ANDRC National was beyond belief. From 8:00am Thursday until 2:00pm Sunday there was constant motion, emotion, and back breaking work with an end result of a truly fabulous show by The Color Me Dwarf Club.

As you will see in the "Winner's Circle", D2 members went home with a considerable number of wins from Nationals as well as from our local shows. I am very proud of all of you. Congratulations everyone!!!!

Peter Bachman has agreed to be our Youth Representative and has been officially appointed to that position. Peter is a really great person and I'm glad to have him in this position. Now, you youth members keep him busy with lots of information and wins!

If everything works out, I will have a surprise at the show this fall. It will be something new from something old. Yes, that's all the hints you're getting.

I still want to hear from more of you. All of our reps have had so much to do but most have taken the time to send a report. Hopefully the rest will follow and then the general membership will start sending things.

Everyone have a great summer and have lots of new show prospects for the fall.

Take care,

George

There will be a meeting at our annual show in Westminster, MD 12 Nov 2006. Hope to see you there.

## Vice President's Report

Hello Everyone,

I hope all the nest boxes are full of future winners. The past couple months have been busy ones for us. On April 10th we had a house fire and lost just about everything. Things are moving along and they are rebuilding/repairing now and we should be back in before the summer is out. Brandon has been doing everything with my rabbits, breeding and all. Our temporary email address is [bunnypatch1@adelphia.net](mailto:bunnypatch1@adelphia.net)

Then we had Nationals in April, the show was a success and the help we had was unbelievable. Everyone seemed to have a good time. District 2 Youth fared very well. Cheyenne Keen and Katie Robbins won Best of Breed with a beautiful Otter doe and Brandon Love Best Opposite of Breed with a REW Sr. Buck. Way to go guys!!!!

District 2 fall annual show in Westminster, MD will be here before you know it. Hope to see everyone at the shows this fall.

Take care,

Mark

### THANKS

I want to thank all of our representatives that took the time to send in reports. I know it's a lot of extra work and time and everyone wants to be outside enjoying the summer, but I really appreciate the effort and I'm sure the membership does, too. George

# Secretary's Report

Hello everyone,

Well, we all survived a "GREAT" 2006 ANDRC National Show in Lancaster. What an amazing job the small handful of Color Me Dwarf Club members did putting on the show...an outstanding job in spite of many obstacles and many long days that led to long nights. I have never seen a group of people work so hard and so well together to put on the "BEST" Dwarf national show yet! Hats off to all of you, it was really a great and well run show. A personal thank you should go to Gina Ponessa for her hard work & patience. As the official show secretary, it would have not been possible with out her!

I also have to mention how proud the youth of District 2 have made us all. Both top spots in youth, BOB & BOS were won by district 2 Youth! BOB went to Cheyenne Keen & Katie Robbins of Pennsylvania and BOS went to Brandon Love, also of Pennsylvania. Way to go guys & Gals! Congratulations to all district 2 youth & open exhibitors that placed so well at nationals. I know there were many of you!

I am looking forward to our Annual District 2 Specialty show in November to be held at the Carroll County MD all breed show in Westminster, MD. I hope you are all able to attend. We are still in need of sponsors for the awards. Sponsors are \$8.00 for BOV/BOSV and \$10.00 for BOG/BOSG. Only the varieties sponsored will receive awards, so let's get those spots filled. Thank you to the many members that have already been so generous in sponsoring.

I want to welcome new members, the Abrams Family of S. Berlin, N.Y.

Hope everyone has a great summer...see you in November!

Respectfully,  
Lynda Swan  
[lyndaleswan@earthlink.net](mailto:lyndaleswan@earthlink.net)

## RUMORS

There is a rumor going around that awards will be given out at the Annual D2 Fall Show regardless of whether they have been sponsored or not. I'm sorry to say that it is only a rumor. Except for those open awards the club sponsors, there will be no other specials awarded **UNLESS THEY ARE SPONSORED.**

Ribbons will be given out to 5<sup>th</sup> place in OPEN and YOUTH.

Please, if anyone wants to help collect for specials contact Lynda or me ASAP.

Thanks

George

# Editor's Report

Hi all. Summer is here, and it's time for a short break from a very busy show season. ANDRC Nationals in Lancaster, PA was a great success, although I think it took me a week to catch up on all the lost sleep. We have included some pictures and highlights from Lancaster in this edition.

We have added a new representative report for youth in this edition. Thanks go to Peter Bachmann for taking on this project and for sending his report. Now it's up to all the D2 youth exhibitors to get their reports to Peter to be included in this newsletter.

All reps and officers, don't forget to get your reports out in a timely fashion. If you don't share your news, you may have read my own (and I'm sure it won't be nearly as exciting!) Reports for the next newsletter need to be to me by 8/15/06. E-mail all reports, pictures and items of interest to [windrushrabbits@earthlink.net](mailto:windrushrabbits@earthlink.net). Please send all files as regular e-mail or as a Word file.

Hope to see you all soon- take care and have a busy summer raising those winning dwarfs for the fall shows! See you in November-

Kim

---

## Youth Representative Report

Hi All! By now it is the start to an extremely harsh and humid summer here in Maryland, creating an unhealthy and potentially dangerous situation for your bunnies. Make sure that if you have not done so already that you start bringing out your fans and dusting them out, freezing water bottles or ceramic tiles for cages, and removing excessive hair from nestboxes in outdoor rabbitries. Convention breedings coming to a halt, and the unfortunate risk of sterility in our bucks is coming upon us with hot weather. We have had an awesome and active spring show season in dwarfs already and most of us are looking forward to a competitive fall season as well. I was unable to attend Dwarf Nationals in Lancaster, but have heard from several breeders that it was a phenomenal facility and the show was highly competitive. I would like to congratulate Cheyenne Keen and Katie Robbins on their Best of Breed win with an otter doe, and Brandon Love for his Best Opposite Sex of Breed win with his REW buck. I do not have any wins to report this issue, but I ask all youth to email their wins to me at [pobachmann@yahoo.com](mailto:pobachmann@yahoo.com) if you would like to be included! I hope everyone's nestboxes are full of convention babies and keep your rabbits cool!

Peter

# WEBMASTERS REPORT

Hope this Spring's show season was good to everyone. I did manage to get a few shows in despite my daughter's wedding the end of June. That event kept me close to home. In fact I missed the Nationals in order to attend her wedding shower. But these things only happen once in a lifetime so are definately a priority! I did finally get the website updated with the newsletters now available online. I have posted the last one and this one will be added also.

The web is a handy place not only to sell rabbits, but to buy merchandise. I now use it regularly to buy items with no problem. I have ordered everything from shoes, to books (like Rabbit Production) and even a laptop computer. I've listed some common websites for rabbit related equipment from trustworthy vendors below. I do use my VISA card when ordering online and have had no problems with today's secure websites. I don't use Pay Pal as I can't

be bothered with registering, but my brother swears by it. Also I have bought items from EBAY.com and AMAZON.com which are both useful to find those impossible items.

Good luck with web surfing!

Barb Downing
