

Distributed Resume Management System

UML Diagrams Document

Version 1.1

Distributed Monster	Version: 1.1
Software Architecture Document	Issue Date: 24/November/2001

Revision History

Date	Version	Description	Author
25/November/2001	1.0	UML Diagrams	Naveed Ahmad
8/December/2001	1.1	Updated	Naveed Ahmad

Distributed Monster	Version: 1.1
Software Architecture Document	Issue Date: 24/November/2001

1) Package Diagram

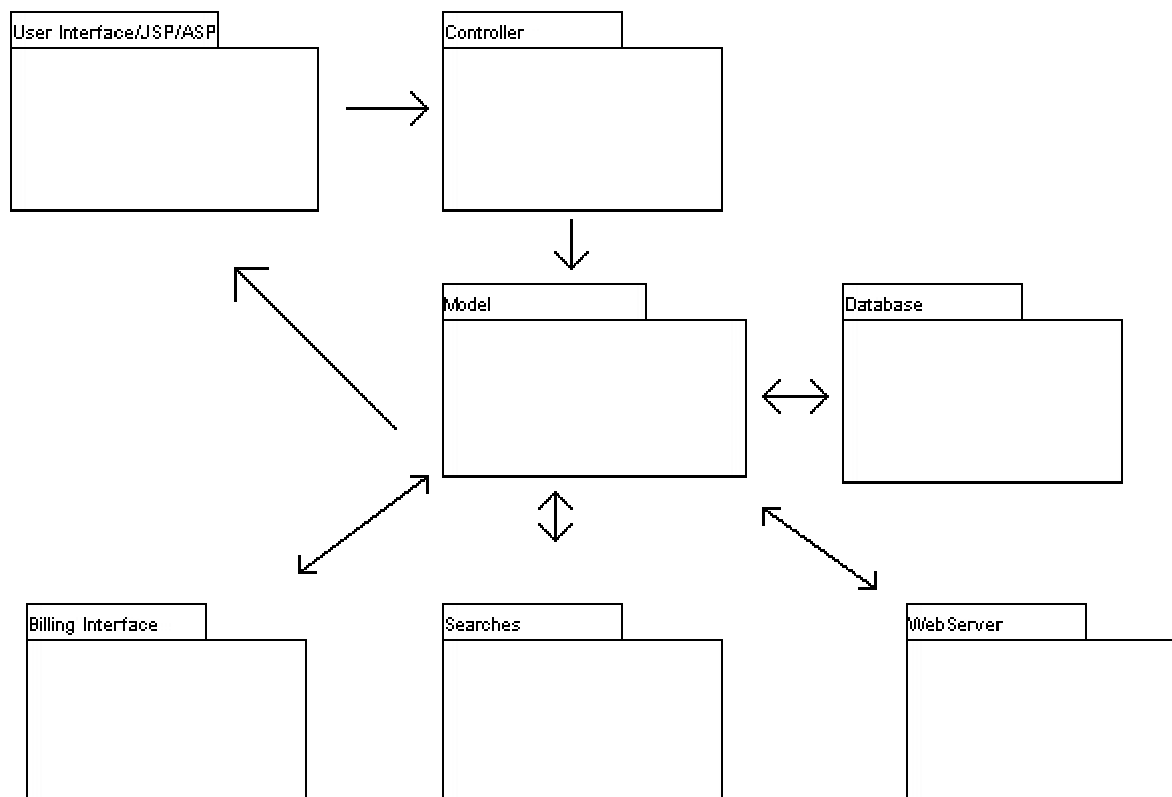

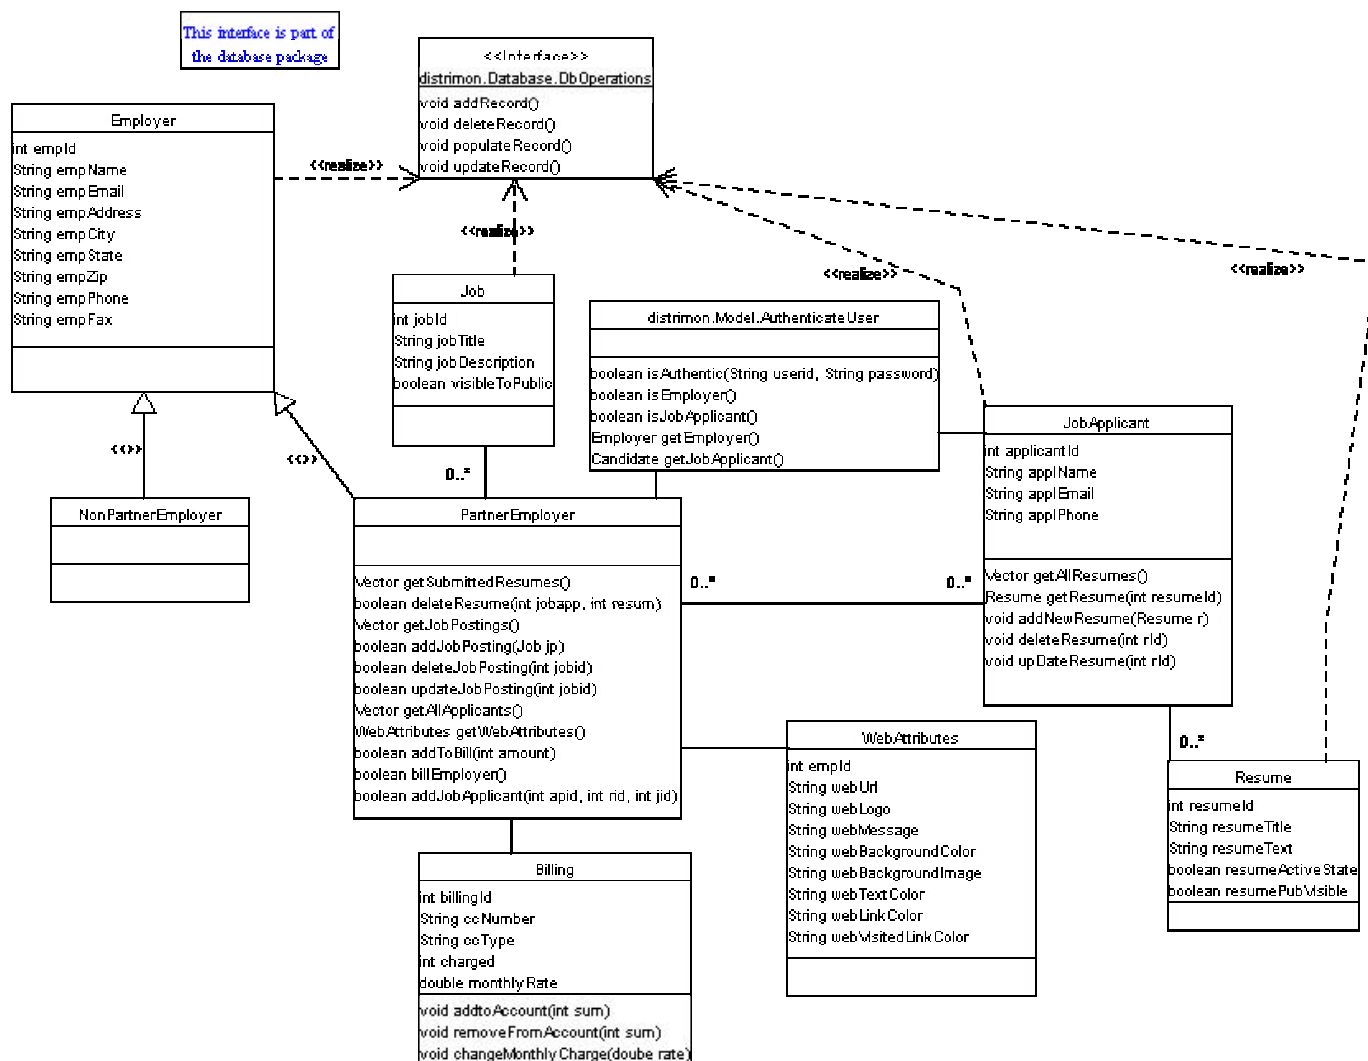

Fig 1. Package Diagram

The above diagram is the package layout of the system. Each of the package has its own diagram.

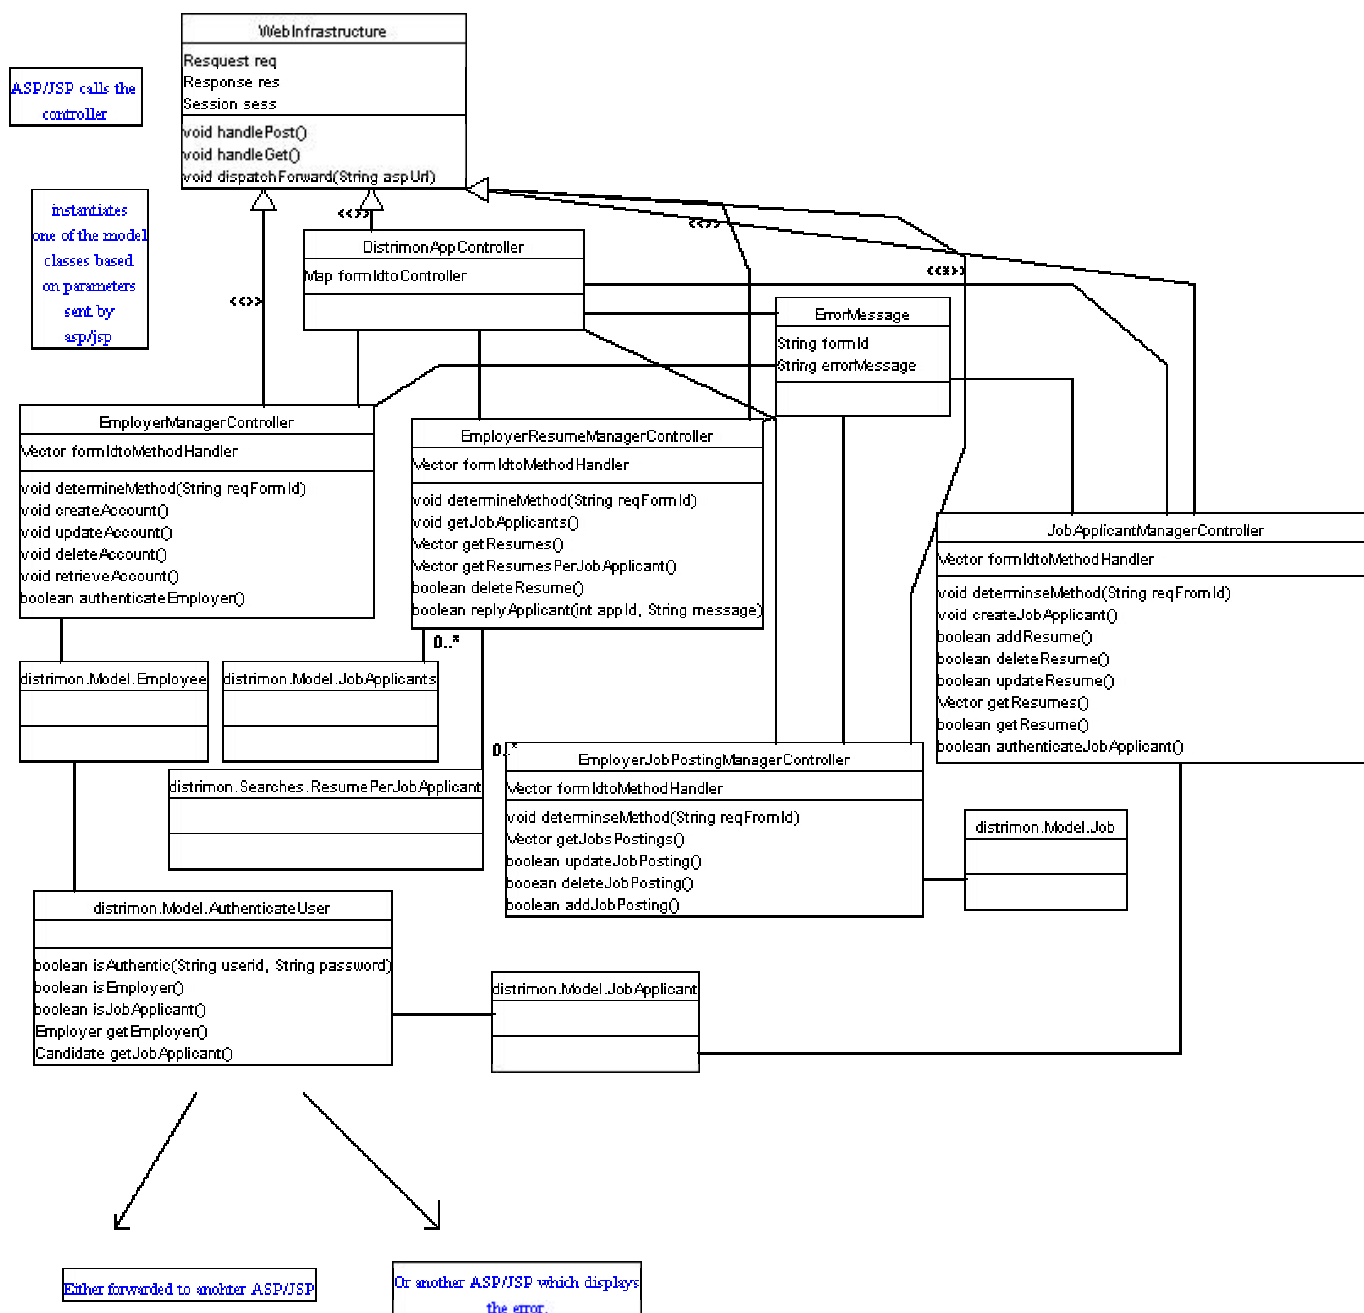

Distributed Monster	Version: 1.1
Software Architecture Document	Issue Date: 24/November/2001

2) Model Diagram

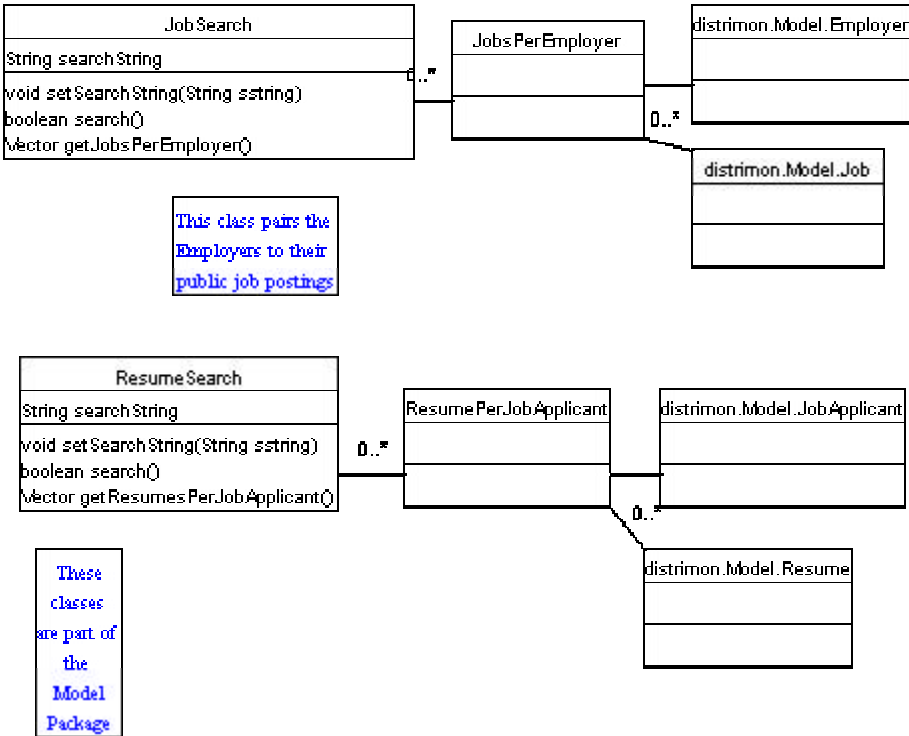

Distributed Monster	Version: 1.1
Software Architecture Document	Issue Date: 24/November/2001

3) Controller Diagram

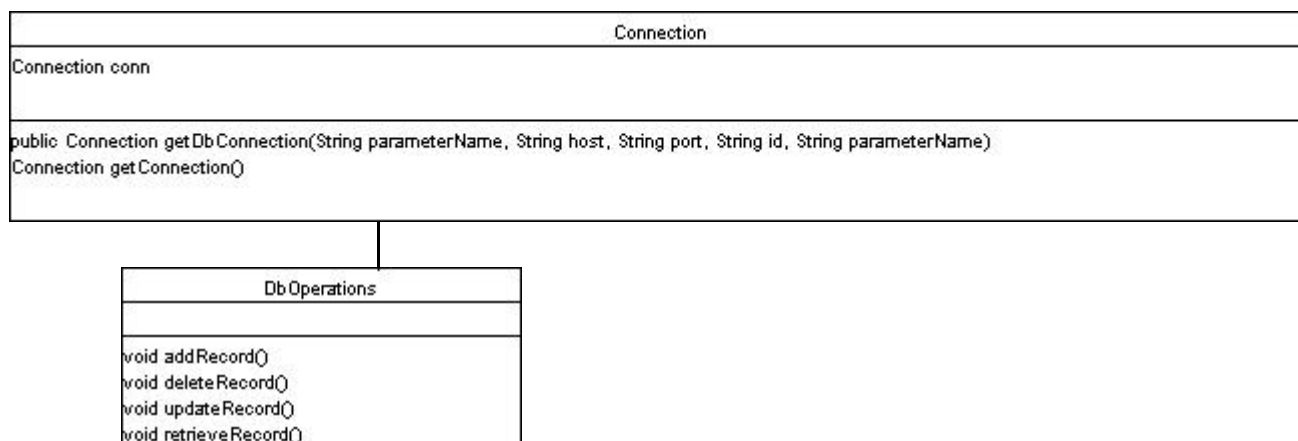

Distributed Monster	Version: 1.1
Software Architecture Document	Issue Date: 24/November/2001

4) Searches Package

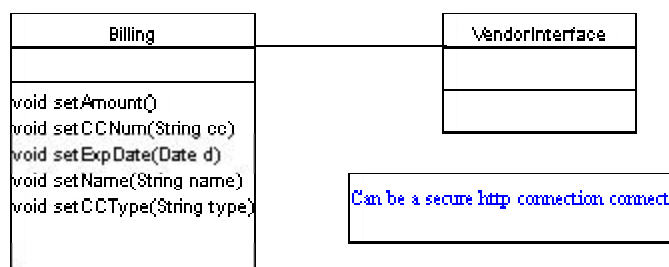

Distributed Monster	Version: 1.1
Software Architecture Document	Issue Date: 24/November/2001

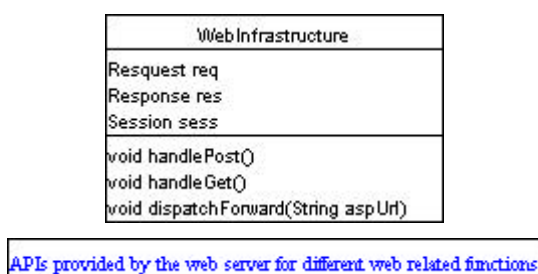

5)Database

6)Billing

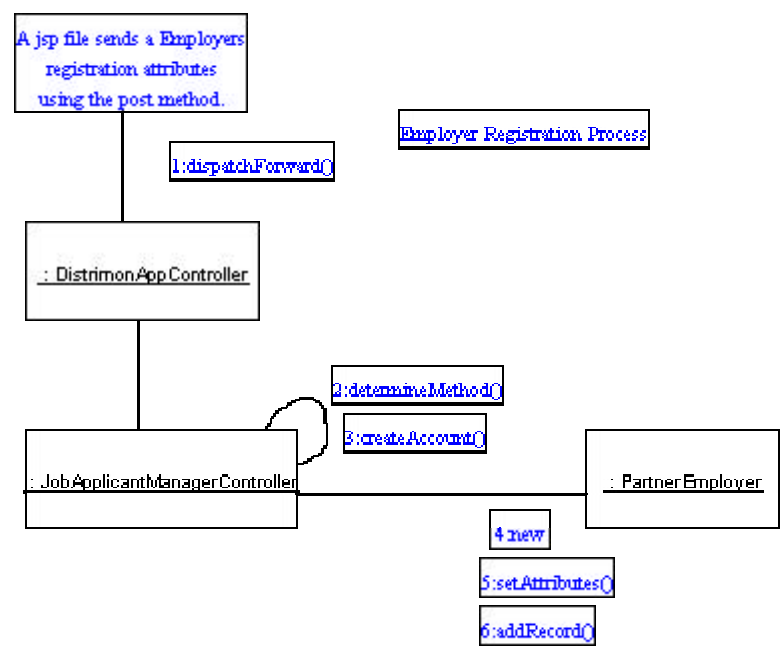

7) Web Server

Distributed Monster	Version: 1.1
Software Architecture Document	Issue Date: 24/November/2001

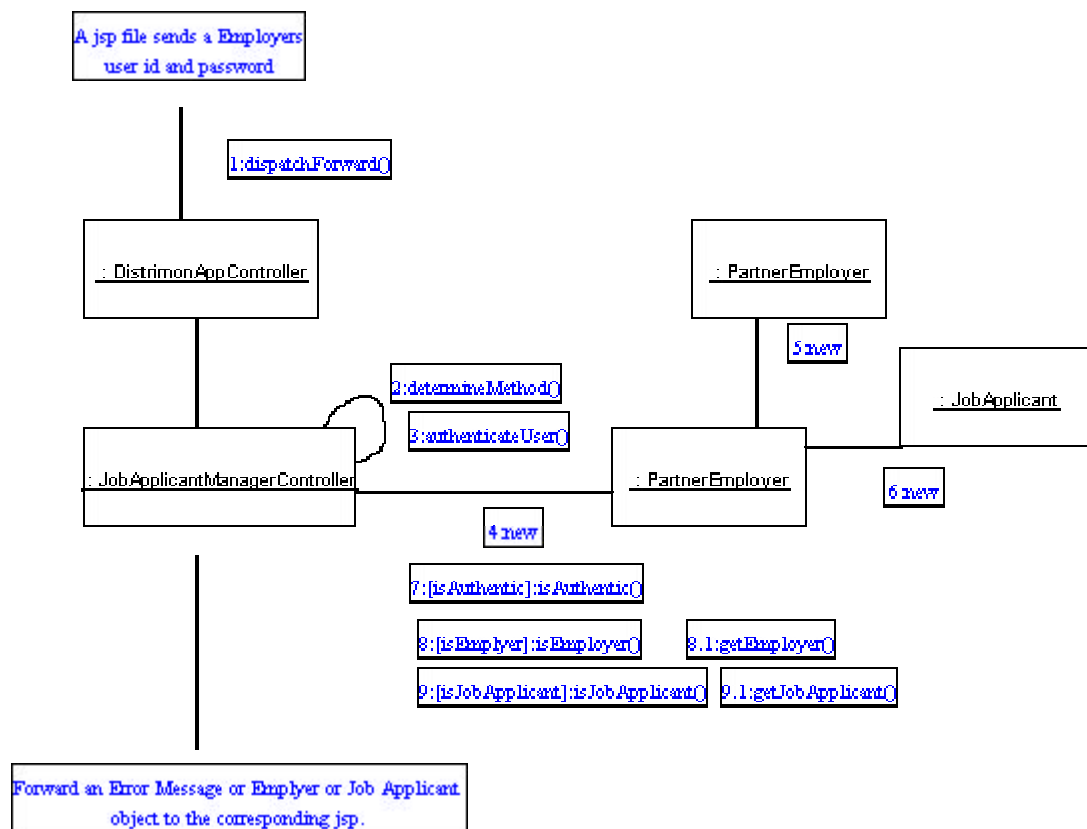

7) Collaboration Diagram

Employer Registration

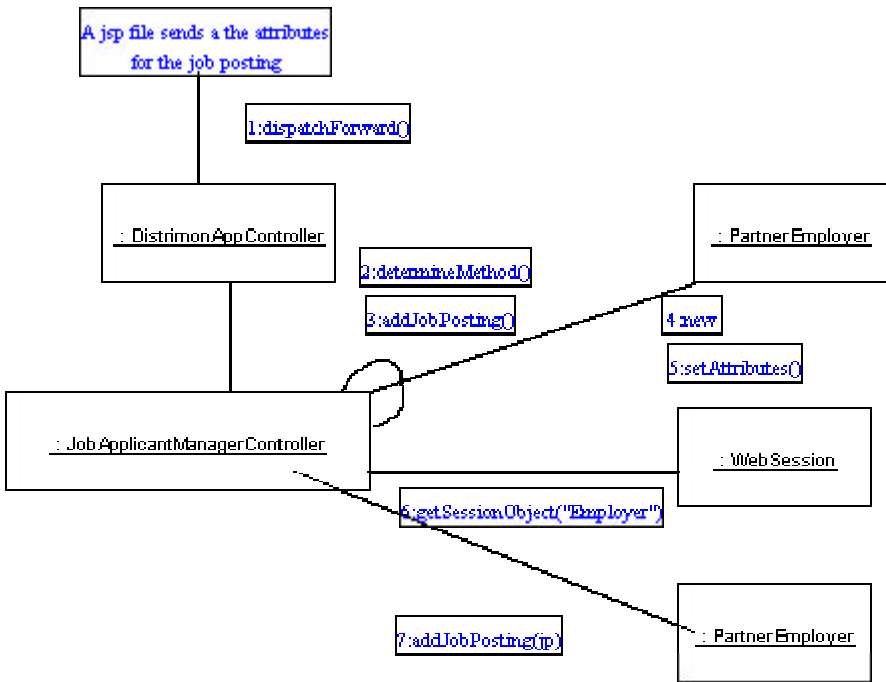

Distributed Monster	Version: 1.1
Software Architecture Document	Issue Date: 24/November/2001

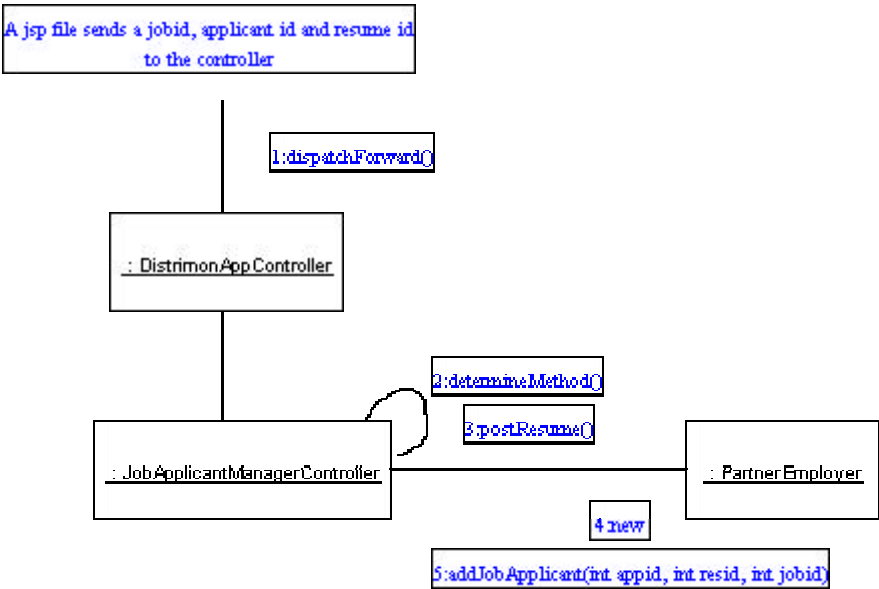

Employer Login

Add Job Posting

Post Resume

Distributed Monster	Version: 1.1
Software Architecture Document	Issue Date: 24/November/2001

8) ER Diagram (See ER Diagram for entity and relations explanation)
