

key:

Green – Presentation practice room
/ A3 printing room
Area = 29m²

Red – New study room
Area = 104m²

Blue – Open IT access
Area = 271m²

• Lectures that usually take place in M101 can use the new study room on the first floor. There is a steel bridge connection to the new M101A, approximately 1500mm away from the corridor BDP111.

• Groups that need practice on their presentations using OHP's or Powerpoint can use the new presentation practice room on the first floor. The room has a time limit of $\frac{1}{2}$ an hour for every booking. This room can also be used especially for A3 printing by SEBE students.

• The IT open access area was original 224m² and after development it increased in size by 47m².
