

**The Second Annual
Great Coosa Valley Fly-in
Wings and Wheels**

Presented by:

**The Experimental Aircraft Association
Rome EAA Chapter #709**

And

The Rome-Floyd Festivals Council

At the Russell Regional Airport on October 16th, 2004

Activities at the EAA area located on the southeast corner of airport:

Friday Oct. 15th – early arrivals, primitive (no hookups) camping and showers available.
Saturday Oct. 16th - pancake breakfast, hamburgers and snacks for lunch.
Sunday Oct. 17th - coffee and pastries for departures.

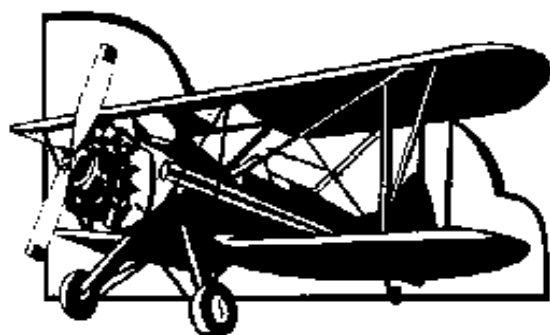

Activities on the terminal side located on the west side of airport:

Saturday Oct. 16th – children's performances and activities, food vendors, static aircraft displays, car show, motorcycle ride, aircraft awards presentation, followed by a 1940's style hanger dance that night.

Aircraft parking is available on both sides of the airport.

Aircraft judging will take place on both sides of the field.

Free transportation between the EAA side and terminal side available.

Aircraft type clubs and branches of the military have been invited.
