

## DJ Orientation/Location form

In order to provide you with the best possible experience, We would like to know where in the room we need to be located. We will generally setup for example, near or on the stage, if at a school, or the “front” of the dance floor space if at all possible.

Please specify the desired location of the DJ and power sources in room.

BPM Productions of Colorado  
491 Boulder Street  
Calhan, CO 80808-8419
