## Upcoming Meeting

On Oct 9th, we will have our general meeting in Detroit Lakes. Please come at 6 PM for rosary in the church. Dinner, Lector program and meeting will follow. Our meal will be leftovers from our September dinner. Please plan on attending.

## Rosary

**Join us in church on October 9 at 6pm and on October 23 at 6:30 PM to pray the Rosary. Everyone is welcome and encouraged to attend! The more that attend, the more you get out of it.**

## Highway Clean-up!

We are tentatively planning on holding our highway pickup on Thursday, October 12 at 5 PM. In case of rain or if there is enough interest at our meeting on the 9th, we may do the roadside pickup on Sunday, October 15th after the 11 AM mass. A meal will be served after the pickup by Joe Ed Knopf.

## Spiritual Corner

*Prayer for a Successful Meeting*

*Gracious, loving God,  
as we enter into this meeting,  
Grace us with the assurance of  
Your presence within ourselves,  
our shared task, and one another.*

*By the presence of Your Holy Spirit,  
gift us with vision, wisdom, and energy  
with Holy humor and humility;  
Make us and our purpose a sign of  
Your reign.*

*May the work of this meeting be a  
means for us to serve one another  
our community and You.*

*As we begin, we offer You our energy,  
our oneness in Christ Jesus, our cares,  
suffering and joys and our hope in the  
promise of that same Jesus in whom we  
share the dream of Eternal Life in  
Your presence.  
Amen*

## **GRAND KNIGHTS MESSAGE**

Brother Knights,

The Columbus Day Dinner was a great success. We served 385 people and enjoyed a profit of \$1212.00. This would not have been achievable if not for the great crew of Knights that our Council has. From the food prep guys that come in at 4AM on Saturday morning and 5Am on Sunday morning to the clean-up crew that stay until 4PM (or until the last dish is clean) on Sunday afternoon, many thanks to all in whatever position you served and for the time you gave.

On Saturday the 30th Chris Watson, Jim Mikelson and myself headed to Anoka for a State Degree meeting. We know your prayers were with us for the trip and the knowledge we brought back. News of this meeting will be at the next Council meeting.

It's never too early to start planning for our Christmas Party. If anyone has a choice for menu items feel free to leave your suggestion with the Grand Knight at the next meeting.

Leftovers from the Columbus Day Dinner will be served at our October meeting. Come early and come hungry.

Vivat Jesus  
Grand Knight

Pro-Life Effort Needs Leadership from Knights U.S. Bishops' 'Respect Life' Program Sent to Councils

In a letter sent to all grand knights in the United States in advance of the October observance of Respect Life Month, Supreme Knight Carl A. Anderson called upon the Knights to continue to take the lead on pro-life issues.

"For years, Knights of Columbus at every level of the Order have worked tirelessly for the cause of life. With the confirmation of two new Supreme Court justices, we are perhaps closer than ever to seeing the reversal of Roe v. Wade. Now we must redouble our efforts to work for life through prayer and action, and together we will restore legal protection to every innocent human life, born and unborn."

Anderson's letter was sent with the Respect Life Program packet prepared by the U.S. Conference of Catholic Bishops' Secretariat for Pro-Life Activities. The packet includes articles on the ethics of adult and embryonic stem-cell research, how two-parent families contribute to children's well being, the Church's opposition to the death penalty, and more. The Knights of Columbus provides funding to the bishops' pro-life office for its education and information programs, including the Respect Life Month packet.

Anderson also encouraged councils to participate in Respect Life Month. "Use this opportunity to collaborate with parish and local pro-life organizations in our common cause to promote respect for life." According to the Order's 2005 Survey of Fraternal Activity, Knights raised and spent more than \$3.6 million on pro-life programs.

Anderson said Knights of Columbus efforts were bringing a greater awareness of the right to life according to the Church's teaching.

"We are uniquely poised to be leaders of the pro-life movement," Anderson said. "Surely there is no greater cause, and I thank you for your past and future efforts to build a culture of life in America."
