## SUMMER ART CAMP

is a fun and exciting summer camp program for children ages 7 & up. Camp is held for 8 different weeks of summer, Monday through Friday from 11-2. Children bring a bag lunch daily. Each child completes various projects during the week using many mediums including wet clay, ceramics, textile arts, mosaics, acrylic painting and polymer clay. Projects are designed with the concept that younger children can accomplish each project easily, while older children can take it to a more advance level of design and execution. A \$25 pre-registration fee is required to hold your spot. Prepayment of \$150 for the week or \$35 per day is required. Some art projects may change without notice due to the availability of items.

### Some of the techniques include:

- Ceramic construction and painting
- Bubble art
- Fingerprint art
- Smooshing/Marbeling
- Mosaics
- Decoupage
- Stenciling/sponging
- Pointillism
- Hand building and molding wet clay
- Taping
- Puffy paint
- Add-ons
