# Rounds 1-12

## March 2005

***Over 100 years old and still going strong!***

*Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws but also within the Spirit of the Game. Any action which is seen to abuse this spirit, causes injury to the game itself*

The best of the past issues:

Reprinted from 105 NO two years ago. Don't see much of the guys mentioned below; wonder why?

*And now I'm really goin' to vent my spleen, on all you guys who have gotten married during the cricket season. What the hell was in your mind? Huh! Duncan Kirk from Sportsman, Khristian Kerrigan and Craig Vincent from Rissoles, Jeff Angel and Matt Coles from Bobs, Greg Friend from Lambs, David Michelle from Youth, just to name a few! What chance have they got if they already cant say no to when the wedding is? Eh? I tell you what'll happen. Within two years they wont be playing cricket. They've got you by the short and curlies already. Its just a ceremony for gods sake, Whats wrong with autumn or spring? Get that thumbprint off you forehead now!*

*Then some of you bright sparks invite your cricket mates to the bucks night! Real smart! Look, for years she thought that sort of behaviour was associated with your footy mates, not the genteel cricket lads. But you blow that one out of the water. What future has cricket got now? Hey I hear Friendly even had a bucks day cricket match. FOOL! Haven't you read the MCC Pre-Amble "Any action which is seen to abuse this spirit causes injury to the game itself" You should be hauled in to face a judiciary.*

*Then we have the old story of Dave Hedger still playing one hour before his wedding. His best man had already left. Not to be outdone this season "Punter" Kerrigan organised his wedding on Friday, played on Saturday and left the game early to go on his honeymoon. Stupidly he stopped by on his way to the airport to ask the score, bride in tow? DUMB! DUMB! Then he comes back from his honeymoon and plays the next Saturday.*

*These guys are all SCHMUCKS! Don't you think these women remember? Of course they do! They pat you on your head and SAY everything is ok but.....let me tell you, when your at your lowest ebb in life, when you don't think you can get any lower, she will put the boot in! MIGHT TAKE 5 YEARS, MIGHT TAKE 20 BUT THEY WILL NOT FORGET. "I REMEMBER YOU AND CRICKET.....AND .....AND..... YOU SCHMUCKS!*
