

Ten Thousand Villages (TTV)

Ten Thousand Villages provides vital, fair income to Third World people by marketing their handicrafts and telling their stories in North America. TTV works with artisans who would otherwise be unemployed or underemployed, providing sustainable income through fair trade to help pay for food, education, health care and housing. TTV is a nonprofit program of Mennonite Central Committee (MCC), the relief and development agency of Mennonite and Brethren in Christ churches in North America. TTV has been working around the world since 1946. Log onto:

Welcome to the Enough for Everyone Global Marketplace where PC(USA) teams up with long-term partner A Greater Gift (formerly SERRV International) and mission-related alternative trade organizations to offer Presbyterians a variety of fair trade and responsibly produced products.

Make the Global Marketplace partners your primary source for gifts and products. Whether you are buying for yourself or for others, your purchases benefit not only the people who use and enjoy the items, but, perhaps most importantly, the people around the world who make them — and who often rely on our support to live their lives in dignity rather than poverty

All projects are endorsed by the Presbyterian Hunger Program's Enough for Everyone Project

For more information log onto: www.pcusa.org/enough

Women's Bean Project

For 15 years, the Women's Bean Project, a nonprofit business, has helped women break the cycle of chronic poverty and unemployment by teaching workplace competencies within the context of two active businesses: production and sales

(wholesale and retail) of a wide variety of signature soup and gourmet food mixes, and a catering service. Our goal is to assist women living in poverty to stabilize their lives, improve their self-esteem, and ultimately, move toward long-term employment and self-sufficiency. Log onto:

Presbyterian Coffee Project

Enjoy fellowship and an excellent cup of coffee while reaching out to communities in the coffee growing world. Congregations and individuals

that buy gourmet coffee, and also tea, chocolate, nuts and berries are supporting fair trade — ensuring that more of our "dollar" goes to the farmers who do the work. Fair trade complements Presbyterian mission with farmers around the world. Log onto:
