

Do you think your family would be willing to make a daily offering of 6 cents per person to help hungry and struggling families of our Presbytery's 2003 Mission Project, The Umtata Garden Plot Project in Umtata, South Africa (That's only \$1.80 per person per month).

If your answer is *YES!!!*

**Join our church's 12-week
Cents-Ability Campaign**

It's easy, asks very little, and is so effective!

Your family will be provided with:

- ◆ A label to attach to a soup can to serve as an offering bank to receive your daily offering
- ◆ A sheet explaining our new Umtata Garden Plot Project
- ◆ A weekly focus sheet to be used daily as your family makes their daily offering. Each sheet focuses on a different aspect of the Presbyterian Hunger Project.

That's all there is to it!

So get your family involved in our Cents-Ability Campaign.

**In doing so you will be responding to
Jesus' command**

"You give them something to eat."
