**A mini-convention within  
Rock Con  
October 12-13, 2002**

## Welcome to Dorkstock!

Dorkstock is dedicated to the offerings of Dork Storm Press ([www.dorktower.com](http://www.dorktower.com)), specifically Dork Tower, the hilarious comic about gamers by John Kovalic. We have a lot of fun planned for you, and specific information can be found in this program.

Thanks go to the Rock Con staff, specifically Scott Jensen because Dorkstock was his idea and Don Perrin, who has been our Rock Con contact and gave us a generous amount of space.

I must thank the Dorkstock Planning Committee whose vision, input, and volunteerism go above and beyond the call of Dorkdom: Barbarian, Captain Geek, Marty Devine, John Kovalic, John "Fuzz Face" McMahon, and Frances "Geek Girl 13" Rodgers.

Special thanks, of course, go to John Kovalic, Aaron Williams, Scott Kurtz, Liz Rathke, Greg Hyland, and all the talented artists affiliated with Dork Storm Press.

Rock Con events are scheduled from 9:00 AM - 6:00 PM on Saturday and 9:00 AM - 4:00 PM on Sunday. Everyone is invited to the Beef A Roo Dinner on Saturday evening (dutch treat).

**Now be good and have a blast!**

**Event Sign-Up:**

Sign-up for Events is done at the Dorkstock sign-up table on a first come/first served basis. Look for the large woman with glasses, short brown hair, and a terrific smile (that's me -Lori).

**A Word About Prizes:**

All the prizes for Dorkstock events were donated. Please remember to thank the following companies for their generosity:

- Out of the Box Games
- Shetland Productions/Dork Storm Press
- Steve Jackson Games
- Twilight Creations

Not all Dorkstock events have prizes; please check the event description to determine if a prize is offered. If the event doesn't say "Prize," a prize is not guaranteed, but one may be offered while supplies last.

**The decision of the judges is final.**

**Guests of Honor:**

**John Kovalic**

John is the creative talent behind such comics as Dork Tower, Wild Life, The Unspeakable Oaf, Murphy's Rules, Newbies, and Snap Dragons (the last two with Liz, below). His recent success at the Origins Awards prove that good things do happen to nice guys.

**Liz Rathke**

Liz brings out the inner-child and inner-angst in all of us respectively in the pages of Snap Dragons and Newbies. Her beautiful work on these comics have brought more than three fingers to the characters she created with John (above).

**Greg Hyland**

The creator of Lethargic Lad has been drawing superheros since his high school days in the mid-1980s. In college, Hyland figured if he could sell 400 photocopies of the first Lethargic Lad, Weakly, he could turn Lethargic Lad into a career. Lethargic Lad, Weakly #1 sold about 4500 copies.
