See How the Plan Makes Money After Money Automatically For You?

Just after you start working with the DPW Package, you'll have several members under your ID automatically. Once you have 3 members under you, you are qualified to get a lifelong income without further work. Even if you have a single person under you, you'll make money for one year.

When you have 3 members, you get Rs. 900 as commission. Then, you will get your incomes depending on the numbers of new members available in your group in future. You can have as many people as you can to get maximum benefits. See the table.

How Much Can You Earn From This Plan?

Remember, once you have 3 members you can retire from the work, if you wish. You have nothing to do then. Now your members under you start enrolling automatically. When the number of new members in your group is 9, your position is **Silver** and you get Rs. 50 from every member i.e. Rs. 50X9=Rs. 450/-. You get a DD of Rs. 450/- in your name from us.

Likewise, when the number of new members in your group is 27, you are promoted to **Gold** position and you get Rs. 40 from every member i.e. Rs. 40X27=Rs. 1080/-. In the same way, your amount of income is the number of new members in your group multiplied by Rs. 30 at **Diamond**, Rs. 20 at **Moon**, Rs. 10 at **March**, Rs. 5 at **Venus**, Rs. 3 at **Jupiter**, and Rs. 2 at **Sun** position.

Think now. You joined Data Posting Work just with a small investment. When you are at **Sun** position, you get a DD of Rs. 39,366/- while enjoying your life with your family members.

See What Happens Then!

Every person who attains once the position of **Sun** will enjoy a **lifetime Bonus** income equally Rs. 2/- multiplied by the number of new members throughout their life in the formula:

$$\frac{\text{Rs. 2 X New Members}}{\text{No of qualifiers of Sun position}}$$

See, as **Lifetime Bonus** income just after **Sun**, you get a DD of Rs. 1,18,098/-. Now, you have earned Rs. 2,05,092 so far. Your income is always increasing.

We keep 25% of the monthly total collection aside for those who can't work and make money anyway. After 60 days of joining, we start entering their share amount in their account. When the amount is Rs. 600, we'll pay out and arrange to make further income for them. **So, a NEVER -LOSS PLAN FOR EVERYONE!**
