

# DID YOU HEAR?

By  
Joe Bryant

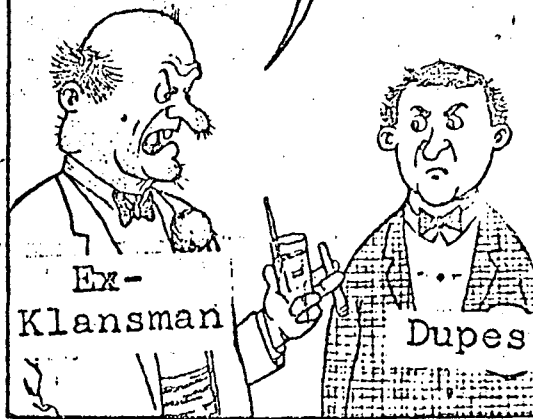

DID YOU HEAR... GENERAL WASHINGTON IS REALLY WORKING FOR THE BRITISH.

DID YOU HEAR? ROBERT E. LEE IS REALLY A DAMN YANKEE.

Did you hear? Jones is stealing money, working for the communists.

The above cartoon is the United Klans answer to the false and vicious rumors that Grand Dragon Jones is stealing and doing other things he is not doing. Mr. Jones goes without the luxuries that others have, He is in court when the others are not. He does more than just talk. He FIGHTS!! And he fights hard. The people that talk about Bob Jones lend lip service and only enough "devotion" to saving our country as is necessary to relieve them of their guilt feelings for not having done all that they should! While White America is being attacked and torn apart by a Black-Communist revolution, Are YOU try-ing to destroy the only organization in N.C. fighting to save the White Race.
