HEALTH PLAN REIMBURSEMENT
The Drionic device is reimbursable by many health plans. If you submit a claim to your health plan for reimbursement, you will need a doctor's prescription for Drionic. There are 2 ways to obtain Drionic under your health plan:
1. **Send payment with order** for immediate purchase and file claim for later reimbursement from your health plan.
2. **Obtain preauthorization** from your health plan for Drionic. Then send payment (\$125.00) for purchase knowing you will be reimbursed by your health plan.

Mail your order or fax it to: (310) 826-5778 (M/C, VISA)
