Country: England

How can I just let you walk away,
just let you leave without a trace
When I stand here taking every
breath with you, ooh
You're the only one who really
knew me at all

How can you just walk away from
me,
when all I can do is watch you
leave
Cos we've shared the laughter
and the pain and even shared the
tears
You're the only one who really
knew me at all

So take a look at me now, oh
there's just an empty space
And there's nothing left here to
remind me,
just the memory of your face
Ooh take a look at me now, well
there's just an empty space
And you coming back to me is
against all odds and that's what
I've got to face

I wish I could just make you turn
around,
turn around and see me cry
There's so much I need to say to
you,
so many reasons why
You're the only one who really
knew me at all

So take a look at me now, well
there's just an empty space
And there's nothing left here to
remind me, just the memory of
your face
Now take a look at me now, cos
there's just an empty space

But to wait for you, is all I can do
and that's what I've got to face
Take a good look at me now, cos
I'll still be standing here
And you coming back to me is
against all odds
It's the chance I've gotta take

Take a look at me now...

You fill up my senses
Like a night in a forest
Like the mountains in
springtime
Like a walk in the rain
Like a storm in the
desert
Like a sleepy blue ocean
You fill up my senses
Come fill me again

Come let me love you
Let me give my life to
you
Let me drown in your
laughter
Let me die in your arms
Let me lay down beside
you
Let me always be with
you
Come let me love you
Come love me again

Hum hum hum hum
hum.....
Let me give my life to
you
Come let me love you
Come love me again

You fill up my senses
Like a night in a forest
Like the mountains in
springtime
Like a walk in the rain
Like a storm in the
desert
Like a sleepy blue ocean

You fill up my senses
Come fill me again
