**Subject:** Public speaking and aero modelling

**All, the public speaking competition subject this year for activities day is: 'Air Cadet Adventure Training Activities'.**

Just to remind you that for this competition there is : 5 Minutes preparation time - presentation time actual, between 5 and 10 minutes - and then 5 Minutes after the presentation to take questions. The equipment for the presentation will include Power Point or other visual aids, PROVIDED BY THE COMPETITOR. Note also, the Media Communications competitions overall are likely to be revamped as a 'Media Skills competition' with less emphasis perhaps on Public Profile portfolio and Display Boards.

On a kindred subject, and just as a reminder, the set model for the modelling competition is the Revell 1/72 Lancaster Kit 04300, a brand new tooling which was notified to Wings in January this year, and which can be obtained from 'Antics Andy' of Bristol - Tel: No 01179273744 FAX 01179273795, email [AndyH@anticsonline.co.uk](mailto:AndyH@anticsonline.co.uk), at the Budget price of £13 including P&P.
