

“Just Now”

Never mind about tomorrow—
It always is today;
Yesterday is vanished,
Whenever, none can say.

Each minute must be guarded—
Make worth the while somehow;
There are no other moments;
It's always, Just Now.

Just Now is the hour that's golden,
The moment to defend.
Just Now is without beginning;
Just Now can never end.

Then never mind tomorrow—
'Tis today you must enjoy
With all that's true and noble.
And the time for this is—NOW!
