

## SUMMER NIGHT

Warm  
Clear  
Sky  
Loud  
Crowded with kids  
Party time  
Bright...  
A nice summer night

## SUNBURN

As the sun burns the skin,  
You wish it would never begin.  
“Make sure you put on your lotion!”  
Your mom said with emotion

“It burns, It burns,” is what you’ll say,  
As your flesh color goes away.  
You lay there in your room,  
Wondering in your beet red gloom

So next time she won’t have to tell you  
what to do, you... you’ll bring a crew,  
To put on your SPF 50,  
You’ll make sure you don’t get crispy

These are the works of Kelly Richards  
Spring, 2000  
Youngest G-daughter of Bill Richardson
