

PRAYER for STRENGTH of ALL MANKIND

Grant us O' LORD an audience today, please hear us and grant us this prayer that we pray. It's not for us alone please known, but for all mankind we pray. Your creation Lord, whom you love; you are Love, and this we know, it is Your Word that tells us so.

Give strength of wisdom to all Your precious souls, help all of us through Your Spirit and Love, success in life's duties, and grant Your blessings to each of us in reaching our goals.

Bless O' LORD each of us with peace of mind, with strong wills to always be patient, gentle, loving and kind. Increase O' Lord our character with attributes which are strong and steady, to remain always serving competently, willingly, and ready.

Help all of us O' LORD in our determination to always do that which is right, working, serving diligently to accomplish our goals in loving service to YOU with all our might.

Bless and help O' Lord each dear soul to know.... to know through YOU the way... the way LORD to do that which will be blessed by your hand. And too recognize and acknowledge that YOU are in command.

Grant O' LORD your strength for us to lean upon, when our way may be difficult and trying, when our strength is almost gone... and grant us Lord the strength of insight not to quit but to continue on.

Bless us O' LORD in strength as we grow in love for you. Grant all of us your love and strength all the days of our life, and help us to let our light shine for YOU..... steadfast and bright.

This prayer we pray through Him who suffered and bore our pain.... this prayer we pray in Jesus name, and AMEN!

William Thomas Richardson, Jr.
