First Ever Newsletter

Welcome

Let me be the first to welcome you to our brand new newsletter. I will try to do my best to get one out every month around this time. It will contain important information, updates on the website, lighting plot downloads, pictures of past productions and staff and staff schedules along with a production schedule that will help everyone keep informed on what is going on. Periodically you can check out the new and improved [website](#) to find out a lot of this information.

Upcoming Events

That's right it is that time again. It is production year at Sonshine Dance Academy in Springfield, MO. Place has been reserved; it will be at Plaster Hall on the campus of Southwest Missouri State. The costumes have been ordered and the colors have been picked out. The technical aspects are beginning to shape up. The rehearsals are underway with the students of Sonshine Dance and they are getting excited about the upcoming shows. Unlike it was a couple of years ago it will be two jam packed weekends of shows, but there will be a week in between the shows, so we will have to do some setup and tearing down after each weekend. The shows are fast approaching things are going to be finalized real quickly. The shows are June 11-13th and June 24-27th, if you can not make it to any of the performances, please let me know because when we closer to time we will be putting the crews together and when I found out the times of the shows I will pass that along to you all too.

Thank You

I want to send a big thank you to everyone that has helped out in the last few years; it has been a wonderful time learning new things about the industry and about each other. I also want to say for all of the thoughts and prayers that you have bless us with in the past three years. One other thing is that I want to send a BIG congratulation to Kathie and Norvin Breeck, owners of Sonshine Dance Academy, on becoming grandparents to a beautiful boy.
