Thank you for your interest and for taking the time to fill out this questionnaire. This will help us to aid you with your choice of adoption. It is important that a rescue dog be placed in the right home. Each dog is an individual and may or may not be the right dog for your home. A rescue dog MAY come with excess baggage, however, the rewards he hides in his suitcase are endless. With patience, love and understanding you can help this dog unpack and enjoy a stable, permanent home with you.
