Note:

Games will be 25 minutes each way.

Every team will play three games. There will be no finals due to time constraints and the fact that four games in one day would be bloody hard work! We will look at awarding a nominal prize for each group winner.

Hopefully we will have a full compliment of referees, but we may require additional officials. Please let the tournament organiser know before the start of play of anyone from your tournament party would like to help in this regard.

There is no limit on squad size. The rolling subs rule will apply, with no limit on the maximum number of substitutions per game.

In all other cases, normal Association Football rules will apply during the games. Should a player be sent off, they will be required to sit out the next game their team plays. No ban will apply to yellow cards.
