Where did this year go?!? We're down to our last few weeks of school and the craziness of it all continues! I have pretty much wrapped up end of the year assessments so I can work on your child's final report card for the year (which will be sent home on their last day of school).

Please remember to dress appropriately these last few warm days of school! No sandals/flip flops please (we have a lot of running/physical activities as well as there has been glass found on the playground and I don't want any sliced up feet!). Also, no tank tops/spaghetti straps for tops.

Check out the details on field day (for both groups) Blue group, please see the attached list for your color teams for field day and a color to dress for the day (if possible).

It's Memorial Day weekend, please take a moment to reflect on our freedom and thank all those who are serving and who have served for us and our country! Have a fantastic weekend!

David Heth ☺

This Week in Kindergarten...

We're going to finish up our year with an outdoors/camping/summer fun theme. The reading tent has been pitched and we're getting into learning about the ocean for a couple of days, and then all the other fun aspects of summer too!

We'll be writing to talk about some of the fun things that we can do in the summer as well as what we know about the ocean. We'll also read and get to learn more about the deep blue sea both in guided reading, a weekly reader magazine, and many other books as well.

Field Day Tips and Tidbits...

- 1.) Wear grubby clothes that can get wet!
☺ (bathing suits are okay if dressed appropriately—girls still have to have a t-shirt, etc. (sorry!))
- 2.) Wear tennis shoes and socks!!!
- 3.) Bring a spare set of clothes to change into (time permitting).
- 4.) Kids can bring a water bottle WITH THEIR NAME ON IT (first and last name please!!!)
