President's Ponderings

Happy 2006, Ladies. I hope your year is off to a great start. Our chapter has some great events planned for the upcoming months. Our monthly dinners continue with a few special events thrown in the mix; Jazz at the High and a family trip to a Braves game. At our meetings we will play games, paint pottery and eat yummy desserts. We will also be nominating and electing new officers and adding to our committees. Now is a great time to get involved, there are plenty of opportunities available! We will be nominating at our meeting in March and voting in April. Along with our officers, we will be choosing two charities to support. Bring your suggestions to the nomination meeting to get them on the slate. Two of our choices include "The Ferst Foundation" and "The Community Welcome House." We would like to have one charity in Coweta County and the other in Fayette County because those are the two counties where the majority of our members live. Another goal is to have one that we support with monetary donations from the chapter and the other that we support with individual donations from our members. Along with the charities, we will continue to support the Lambda Pi chapter at Georgia College and State University. I'm looking forward to seeing some new faces this spring and hoping some of you will step up to the plate and take a position on our executive board, a chairmanship or join a committee. I promise that you will find it a rewarding experience.

In the Flame,

*Becky Moeller, '86***Lambda Pi Update**

The Ladies of Lambda Pi have been busy as usual. Grades continue to be a priority; there are 4 sisters that are members of Gamma Sigma Alpha, an honor society for upperclassmen with at least a 3.5 GPA and 18 sisters that are members of the Order of Omega, a Greek honor society (and several others are applying this semester.) Next week, there will be a dinner at the house for those girls who made the Dean's List for the fall semester. New executive board officers and chairmen were installed in January. The new executive board will be attending Region Day this month. Also this month is the annual DZ Dinner with proceeds benefiting Gallaudet University. Greek Week will be March 21st-April 2nd and there will be a sisterhood retreat April 7th and 8th. The chapter is busy preparing for Recruitment (August 15-20) with workshops, skit practice and preference ceremony practice all being held in February. Be sure to check out their updated website at:

<http://gcsudeltazeta.tripod.com>

Your support of our chapter is vital. We can't exist without it. Last year, we had 16 dues paid members; our goal this year is to double that number. We can only do that with your help. We use the funds to publish our newsletter, to support our communities and to support the ΔΠ chapter at Georgia College and State University. Please try to give with your heart so that we can grow stronger as an alumnae chapter. If you are interested in joining our chapter, please contact Gail Hale, our VP of Membership or Becky Moeller, our President.

End of the Year Dessert
Becky's House
Newnan, 7:00pm
Officer installation

May 20: DZ Nite Out
Location TBD
7:00pm

DZ NITE OUT:

Our monthly dinners will continue to be the last Saturday of the month unless a holiday interferes or a special event comes up. We still need at least 5-6 people to make reservations. You will receive an Evite about ten days prior to the event. Please respond as quickly as you can. If you don't have email, please call Penny LaFleur at kplafleur@bellsouth.net with your RSVP. Singles and couples are welcome to attend these evenings, or just bring a friend.

Becky and Janice in front of the Wishing Well used during the preference ceremony at Georgia College's recruitment.

ASC Alumnae Panhellenic Update

The Southern Crescent Panhel group continues to be active. They will hold their annual sorority information sessions for high school senior women and their parents on April 29 at the Phi Mu headquarters in Peachtree City. The Annual Scholarship Award Luncheon and New Officer Installation will be held at the Wyndham in Peachtree City on May 6th. Scholarship applications are available on the Panhel website. Supporting the Greek community is important. Please consider joining ASCAPA to meet other greek women and raise awareness of all that sorority membership can do for the young women in the Southern Crescent area.
