New Business:

Sun 'n Fun report: Ray, Dick and Bill were there – Rained a lot leading up to the event, producing a very muddy field. The weather reduced the turn-out, until some clearing on Wednesday. Rained again on Saturday. Some of the local newspaper reports were brought back.

Next meeting: The Fairhope Festival of Flight (Not a fly-in) on May 24. We have about 4 to 5 aircraft available to carry the Young Eagles flights, that will be done at a later date. We need now forms and supplies for the event.

Posters for SERFI were brought for distribution. The event is October 24-26, and they need volunteers to handle the aircraft parking.

The Thomasville Ga. Fly-in is the second weekend of October, 10, 11, 12. In the past, they have had as many as 600 aircraft. They have lots of parking available. North of Tallahassee, about 250 miles from here.

Meeting end at 10:40
