The **EAA** is for both pilots and non-pilots who are interested in the dynamic world of flight. The organization, founded in 1953, offers activities for the entire family on the local, regional and national events. **EAA** also offers support for those who are building and restoring aircraft.

The **EAA** is dedicated to serving all of aviation by fostering and encouraging individual participation, high standards and access to the world of flight in an environment that promotes freedom, family and personal fulfillment.

If you like airplanes and the people that fly them, **EAA** is for you! For only \$40 you can be a member of **EAA** (\$58 outside the US and Canada). **EAA** offers something for enthusiasts of every age and interest – pilots, designers, builders, dreamers and doers – anyone who enjoys the unique freedom made possible by flight. All are welcomed into the **EAA**'s growing family.
