Glenda noted that the year has been added to the crest and that she had emailed a corrected picture of the crest. The crest as modified and described was approved by the committee. Glenda will order the crest (Graphics enclosed below).

Revised 1

Minutes approved as read. Moved by Don seconded by Bob

Pamphlet: Don informed the committee that there had been discussion at the Opemikon celebration about the wording of the Scouts membership requirement on the EOGR pamphlet. The wording in our registration packages and pamphlet needs to be modified to reflect the coverage of the Guild by insurance. Steve modified the pamphlet as discussed and will post to the web site after the meeting. The registration forms also need to be modified to include guild membership. (reworked pamphlet now on site).

Cake: Bob has ordered the cake, waiting to know how many are coming to determine size. Glenda mentioned that Sandra to will make the Reunion cake had also made the Opemikon 70th Anniversary cake. Bob while on the topic of the reunion mentioned that Glenda's Crest for the last reunion was included in the 2nd Time capsule at Opemikon.

T-Shirt: Don will order the shirt after Canada day as the supplier is presently very busy, A cheque for \$200 has been given to the supplier by Don.

Activities for Reunion: A small discussion took place in regards to the Campfire, it was noted that the belief was that Robert Gemmell would play the double role of Camp and Campfire Chief.

Bob showed us the camp Opemikon song, which was then sung to the Committee by Glenda.

John Copeland was phoned to see if he would run the knots, he will not be at the reunion this year due to conflicts.

The proposed Reunion Passport was shown with pictures of items around Opemikon, it met favorable approval.

Discussion on the compass events, Glenda is planning to going up early on the Reunion Friday, Jeff will join her to do some camp preparation.

Registration: 90 registration's out, 3 regrets now received, 27 left to send out. The committee members had brought their registrations so we are in good shape from a committee perspective. A follow-up email will be sent out to remind all email recipients about the Reunion in early July.

2009 Project: Bob noted that the places at Opemikon are named, and he is working on gathering the details about the names. Don said to make sure camp committee agreed, Bob said yes they were in favor. These were identified as a next year project.

Crew Cabin: Discussion about new Crew cabin, Don says he had tour and it is going to be nice, used by the staff in the summer.
