(A small # paid for only one week due to illness, AAA tryouts, etc.)

- Overall things ran very smoothly
Coaches to be commended for their time & dedication
- Problems 1) Far too many parents requesting refunds.
After spending hours preparing for practices and on the ice every night, I was flooded with phone calls requesting half payments, destroy my cheque, bring cash refund tomorrow night, Can I sign my kid up next week etc, etc,!!
- 2) 10 nights too much for parents and coaches.
- 3) A small # of players at the Pee Wee / Bantam level trying to sneak into camp
- 4) Difficult to accommodate 1st time skaters at the Novice level.

Recommendations for next year.

- ① An 8 session camp Mon Tues Thur Fri
Mon Tues Wed Thur

Cost \$65 (Overall profit should be same as this year)

- ② No power skating instructor required
- ③ Procedure for refunds:

Apply in writing to Association Secretary (this should be stated on Regis form)

- ④ 1st time skater at Novice level must be accompanied by parent or designated coach
Fee - 1/2 Cost.
