A Tradition of Excellence

The Miami University Men's Swimming and Diving team has a rich history of success. Since its inception in 1952, the team boasts an overall record of 358-227-3.

Under the leadership of Pete Lindsay, now in his 21st season of coaching, Miami has produced:

- 74 MAC Individual Champions
- Four NCAA All-American swimmers and divers
- Seven MAC Swimmers of the Year
- Two MAC Team Championships (1997, 1999)

The success extends beyond the pool with 18 Academic All-MAC honorees and a 90 percent graduation rate.

Miami and the Department of Intercollegiate Athletics are committed to building on the rich tradition of the Men's Swimming and Diving program and are counting on alumni support to realize this objective.

The Pete Lindsay Scholarship

The Class of 1998, in an effort to leave a legacy for the future, and to honor the work and dedication of its coach, initiated a scholarship endowment for the Men's Swimming and Diving team. The Class sought to create a gift that could encapsulate the enthusiasm of more than 50 years of alumni.

The Pete Lindsay Scholarship will be designated to a male swimmer who:

- Maintains a grade point average of 3.0 or higher
- Upholds a strong work ethic
- Displays qualities of a true leader
- Pushes himself beyond perceived limits
- Provides inspiration to teammates

Scholarship Endowments

Endowments are a primary need for the Department of Intercollegiate Athletics. "Miami Traditions," as part of The Miami University Campaign *For Love and Honor*, is a program specifically focused on generating endowment support for the Department of Intercollegiate Athletics. An endowment is a fund that is kept in perpetuity to provide investment income annually to fund a specific program or scholarship. Endowments are one of the best ways of ensuring that Miami athletics continues its superior tradition and builds a solid legacy for the future.

Many Miami student-athletes receive athletic scholarships during their tenure at Miami. Endowment scholarships:

- Ensure that talented and intelligent students have the opportunity to receive a Miami education.
- Ensure that Miami is able to recruit the best students who are also great athletes.
- Allow Miami to maintain a competitive recruiting advantage to that of peer institutions throughout the MAC and the NCAA.

Minimum Contribution	Amount of Support
\$25,000	Books
\$50,000	Room Fees
\$100,000	Room and Board Fees
\$250,000	Tuition
\$400,000	Tuition, Room and Board, Books

How can you help?

Currently, the Men's Swimming and Diving program is able to award four of the 9.9 scholarships allowed by the NCAA. For every \$400,000 raised, one additional scholarship will be added to the Swimming program to award to future Miami student-athletes. The ultimate goal is to have all 9.9 scholarships fully endowed. Here is how you can help the program achieve that goal:

Option 1 - Create a Named Scholarship

Create a named scholarship endowment in your name, the name of a family member, friend, teammate or former coach, and designate it to Men's Swimming and Diving. A commitment of \$25,000 is needed to establish an individually named fund. Pledges can be made over a five-year period.

Option 2 - Contribute to the Pete Lindsay Scholarship

Contribute to the Pete Lindsay Men's Swimming and Diving Scholarship Fund. A commitment of any amount may be contributed to this fund. Pledges can be made over a five-year period.
