

# National Conference 2007!

## \$TASH-YOUR-CASH NOW!

**Start saving now for National Conference 2007! Set aside some money each week and before you know it, you'll have extra cash to pay for registration, lodging, shopping, and other special events.**

### **\$ta\$h-Your-Ca\$h Program:**

The \$ta\$h-Your-Ca\$h Program is a way for you to easily save money for National Conference 2007. The program begins August 1, 2006, and you can join anytime. You choose a specific amount of money to be deducted from the profits of each Show you hold. PartyLite will then hold \$ta\$h-Your-Ca\$h payments in a non-interest bearing account, and a check for the accumulated balance will be included in your profit check the week ending June 14, 2007 and mailed to you on June 20, 2007. You may also apply your accumulated balance towards National Conference 2007 Registration fees (if you choose the \$ta\$h-Your-Ca\$h payment option when registering). If you would like to receive your payment prior to June 20, 2007, please send in a request in writing to the PartyLite Home Office, Attention: Finance Department.

### **Enrolling in the \$ta\$h-Your-Ca\$h Program:**

**Option 1:** Under Consultant Profile, on [my.partylite.com](http://my.partylite.com), go to Change Stash, then simply enter the deduction amount and dates, and click save. If you choose this option, there is no need to mail the form.

**Option 2:** Complete the Enrollment Form below and mail to the Home Office today. Your Enrollment Form will be processed within one week of being received at the Home Office, and deductions will begin with your first Show. The final deduction will be taken on Friday, June 8, 2007 (unless otherwise noted below\*).

**Please note:** Once you have signed up for \$ta\$h-Your-Ca\$h, you need to submit a Show for the \$ta\$h-Your-Ca\$h program to become active. At that point, a balance will begin to accumulate.
