From The Editor's Desk

This was a busy and exciting summer for the ICCA board members and all the volunteers that helped out at folk fest. I hope all our members had a chance to visit our pavilion at Walter Murray Collegiate. The India pavilion was a huge success and we thank all our volunteers for their time and efforts. It is through hard work of the volunteers that brings community members together, have fun and make social events successful. Feedback on this event would be greatly appreciated. The summer is now coming to an end and we look forward to new activities in the fall and winter. We hope that you all enjoyed your summer.

Message from the President

Greetings! I hope everyone had a good summer holiday. I had an excellent vacation to California during last week of August. Unfortunately summer is over and winter is just around the corner. To beat the winter blues the ICCA is planning to present entertainment such as Dance and Music programs, Movie screenings, and Volunteer Appreciation Night. As you may have heard in the Media, that overall Folkfest 2001 was complete success. The India pavilion had record-breaking attendance and as result record-breaking revenue. I would like to thank the board members and every single volunteer and performer for this success. Please attend the semi-Annual General Meeting on September 30 to learn the details of this successful Folkfest. Even though work and school goes into full swing, I hope you

find time to come and enjoy the events we are planning for this Fall and Winter.

Sushama Shrikhande
