EKU Chapter Inducts 48

Courtney Lantz

On March 24, 2004, the Eastern Kentucky University chapter of Golden Key International Honour Society inducted 48 new members.

Each of these new members have proven their academic success by maintaining a cumulative grade point average of 3.49 or higher through their junior and/or senior year here at Eastern. We congratulate the new members, and encourage them to become active members in their chapter.

Gene Zackerman, advisor for the Northern Kentucky University chapter of Golden Key, attended the ceremony

General Meeting as Service Project

EKU's chapter of Golden Key will be holding a general membership meeting, open to all chapter members of the organization. It will be held in Powell Conference room A or F

to stand in as advisor, giving words of wisdom and encouragement to the new inductees as to their involvement and related benefits of becoming members.

"You've already proven you're academic achievers," he said. "My challenge to you is to prove that

you're also leaders by becoming active members in Golden Key."

We'd like to thank Gene and Aimee, graduate member of NKU Golden Key, for their help during the ceremony.

Please see Induction, 2

at 7:00 p.m.

We are combining this meeting with an ongoing service project, in partnership with the Kentucky River Foothills project, a local mission dedicated to

helping the less fortunate.

To help this community-oriented cause, please bring a canned food item (or more than one) to the meeting for donation.

Graduation Stoles

Courtney Lantz

It's that time of year again. Seniors line up to check their information, correct it if it's wrong, buy class rings, graduation announcements, and register with the Alumni Association.

Golden Key International Honour Society stoles sales help benefit your chapter.

With graduation just around the corner (only 38 more days!), it's time to start thinking about buying your Golden Key stoles for graduation.

Unlike cum laude and honors stoles, Golden Key stoles must be purchased, and this must be done through the chapter. Proceeds from the sales go directly to EKU's chapter, and this is one of our biggest fundraisers of the year.

Stoles will be \$25 for inactive mem-

bers and \$20 for active members (those who attend three or more events, including service, social, and meetings, before the end of the semester). \$5 will be refunded following the completion of your third activity.

Stoles can be purchased at general meetings every other Monday, starting April 5. Please help support your chapter.

Volunteers Needed

Courtney Lantz

EKU's chapter of Golden Key is looking for volunteers to donate time for one-on-one visits with the residents at Pine Meadows Nursing Home in Lexington. Because of the overwhelming ratio of residents to staff, Pine Meadows has

asked us to volunteer to spend time with residents that couldn't otherwise be spent due to the short staffing.

If you want to volunteer to make one person's day brighter, please contact Millicent Wells for details on this

much-needed service project.

The donation of just a short amount of your time will make such a spectacular difference in someone's life.

Induction continued from page 1.

In addition, we'd like to thank Chuck Vance, photographer, as well as the Student Government Association for a grant for catering, Aramark for catering the event, and the Wells family for donating their time to volunteer to help with the ceremony.

If anyone could not

attend the induction ceremony and would like to pick up their certificate, please contact Millicent Wells, whose contact information is on our webpage. Similarly, if anyone could not attend

Recognition in the Works

Courtney Lantz

Every year, chapters of Golden Key International Honour Society all over the world recognize their honorary members and sophomores who have achieved academic excellence, but are not yet eligible to join Golden Key.

This year, EKU's chapter of Golden Key will be recognizing their honorary members and sophomore academic achievers from Eastern on April 7 in Powell.

The event will have a Hawaiian luau theme, so break out those grass

skirts and Hawaiian-print shirts. All members are encouraged to attend to show gratitude for all honorary members do for our chapter, and to encourage Sophomores to consider joining Golden Key next year.

Web Page Update

Courtney Lantz

This year has been an interesting one for our web page. As I'm sure you all have noticed by now, our chapter web page is now hosted by geocities, and not the University due to technical difficulties.

Despite a rough start, the web page is finally up to speed. It is constantly being updated,

with new information, new pictures, and even a new home for Transitions.

On a positive note, since our web page is now hosted on an independent server, the construction and maintenance of the web site is much easier than the one hosted by the University. I want to encour-

age anyone remotely interested in trying out web site construction and maintenance to apply for the officer position of webmaster. Trust me—if I can build and maintain a web site, *anyone* can.

Contact Courtney Lantz or Millicent Wells for more info.
