## Planning Shindig

Courtney Lantz  
Vice President, Newsletter Editor

Our President, Millicent Wells, hosted a potluck planning shindig at her apartment earlier this month. During this meeting, officers planned the future events of our chapter, and went through some of the old Golden Key boxes we had lying around. Over spaghetti, rolls, veggies, German chocolate cake, and peanut butter brownies, among other things, officers spent time together, planning and growing as an officer core.

We hope to bring you great events next year, and, as always, ideas and comments are always welcome.

Please let Millicent know if you have an idea for a project, or talk to Kevin Morrison, Service Chair, for service project ideas, or Lubrina Burton, Social Chair, for social event ideas.

We'd all love to hear from you, and as always, ideas and comments are more than welcome during meetings as well. Don't be shy! We're

here to serve you, so let us know what *you* want to do. This is your chapter.

Please see **Upcoming Events**, page 2.

## Update!

Courtney Lantz

Vice President, Newsletter Editor

To help encourage general member participation, general meeting times have been changed for Spring 2004.

Instead of meeting Tuesday nights at 9 pm, we will be meeting every other Monday night at 6 pm, starting January 19, 2004, which is the Monday after classes resume after Winter Break.

We will still be meeting in

Powell Conference Room F, so please try to make a few (or all of them!).

If this time isn't convenient for you, *please* let one of us know. We might be able to work something out to

make an extra effort to keep you as involved and informed as you'd like to be. Don't hesitate to ask us what we can do to help you. We'd do anything to keep as many of you active as we can.

Hope to see you there!

## Sophomore Recognition

Courtney Lantz  
Vice President, Newsletter Editor

To help encourage participation for future officer cores, Golden Key holds a ceremony to recognize those sophomores who have excelled academically during their time at Eastern Kentucky University.

Each year, our chapter provides sophomores who have the potential of becoming Golden Key members in their junior and senior years with an opportunity to meet the players, learn about the or-

ganization, and start getting involved early. Early engagement is the key to committed and active members, and we hope to encourage these young achievers to become a part of our organization and develop their talents while helping the community.

This year, we plan to hold a Hawai'ian luau in the Powell

building. No swim suits necessary, but grass skirts are definitely welcome. Please come on out and show your

support for these future members, and help encourage them in their studies. It will be at 7:30 pm in Powell, room TBA. Hope you'll be there and ready to par-tay!

## Help Wanted

Our officer core is still looking for someone willing to fill the Treasurer's position. This position is required for all chapters, and we need to fill it as soon as possible.

*"The artist is nothing without the gift, but the gift is nothing without work."  
~ Emile Zola*

If you have any interest in accounting or fundraising, please contact Millicent Wells to find our more about the position available.

We want to encourage any general member interested in this position to let us know, so please don't hesitate. Open invitations are extended to those interested to attend officers' meetings. Contact Millicent Wells or Courtney Lantz for details.

## Graduation

Courtney Lantz  
Vice President, Newsletter Editor

Are you graduating in May? Please call or stop by the chapel office to reserve your stoles for graduation.

We have a VERY limited number, and as of now, they are on a first come, first serve basis.

More will be ordered if there is interest in enough after they've sold out.

Please contact Patrick Nnoro-mele in the chapel, or talk to a chapel staff member.

Don't wait until the last minute!
