

RON LACKEY, EdD
For Trustee – Area 4
BOARD OF EDUCATION
Capistrano Unified School District

FAX ENDORSEMENT FORM

My mission is to provide educational guidance and support as a member of the Board of Education and to encourage and promote an optimal learning environment and resources for pupils in the Capistrano Unified School District.

I pledge to promote the implementation of components of the recently enacted United States' NO CHILD LEFT BEHIND (NCLB) ACT of 2001 in the Capistrano Unified School District. NCLB is intended to improve elementary and secondary education. Features of NCLB include increased accountability, more choices for parents and pupils, greater flexibility for school districts and schools, and putting reading first.

In addition, I pledge to support the recommendations of the proposed CALIFORNIA MASTER PLAN FOR EDUCATION – KINDERGARTEN THROUGH UNIVERSITY for the future of schools in the Capistrano Unified School District. Features of the Master Plan include shifting responsibility for delivery of education to the governor's office, establishing a career ladder for teachers that rewards exceptional teachers for staying in the classroom, and more local control for the school district.

Once elected, I will team with the continuing members of the Board of Education, with employees of the school district, with parents and with the community to strive to achieve the best possible educational program for pupils of the school district.

Thank you for your support and I look forward to serving you in the future.

Please sign and return via fax to (949) 240-9222 ASAP.
