

# A Candidate Parents can Trust!

Dr. Lackey has the formal education, career and community experience, combined with his commitment to ensure that all Capistrano Unified School District students have the best opportunities for a quality education.

Committed to being an independent voice for our children and their parents!

## Leadership

As your elected school board member, my highest priority will be to establish a vision for our schools that reflects a consensus of the board, community and district staff.

## Accountability

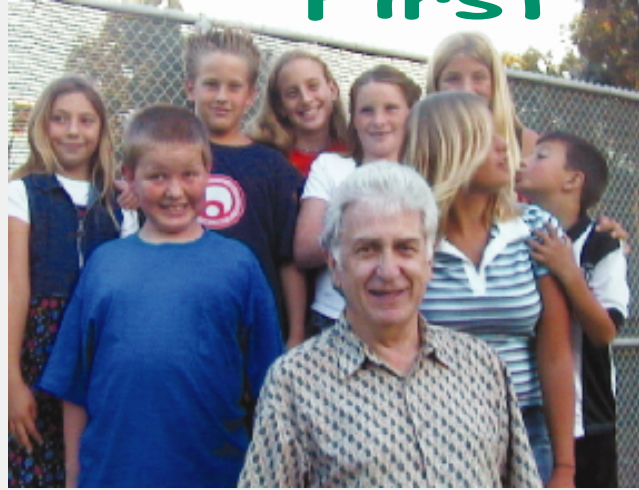

As a strong proponent of parental involvement, I pledge to support the continuation of parents as advisors in their children's education.

## Results

When parents, teachers and our community work together, our children win!
