**ELWOOD
SUMMER
SPORTS
PROGRAM
2007**

**For Residents of the
Elwood School District**

A Message to the Elwood Community

We are once again happy to announce the Summer Sports Program for Elwood students.

This program was implemented many years ago with girls basketball and boys football at the forefront. We have now seen it grow to include 26 different sessions that meet the demands of most students in the Elwood community. Our coaches in this program are offering their knowledge and expertise to deliver wholesome activities that are designed for both the inexperienced and experienced. These programs will also provide the participant with a chance to meet many of our Varsity, Junior Varsity and Middle School coaching staffs with whom they may play for in the near future.

We hope your time with us will be a fun-filled, positive experience as we continue to grow and serve the needs of the Elwood community. Thank you for allowing us to be part of your summer.

Sincerely,

Darren Szokoli
Elwood Summer Sports Coordinator

Dear Elwood Family;

Please note that the prices of our camps have slightly increased. This is because we are no longer sponsored by the Elwood School District. The additional cost will help us cover insurance, duplicating and mailing fees, and the hiring of an athletic trainer to our staff. We promise to offer the same quality programs as in years past. As always, this camp is primarily serving the students of the Elwood Community.

Sincerely,

Darren Szokoli
Program Coordinator
