

Fascinate

A grade school teacher in Minnesota asked her students to use the word "fascinate" in a sentence.

Molly put up her hand and said, "My family went to my granddad's farm and we all saw his pet sheep. It was fascinating."

"That was good," the teacher said, "but I wanted you to use the word 'fascinate' not 'fascinating'."

Sally raised her hand. She said, "My family went to see Rock City and I was fascinated."

"Well, that was good Sally," said the teacher, "but I wanted you to use the word 'fascinate'."

Little Johnny raised his hand, but the teacher hesitated because she had been burned by Little Johnny before. She finally decided there was no way he could damage the word "fascinate", so she called on him.

Johnny said, "My aunt Gina has a sweater with ten buttons, but her boobies are so big she can only fasten eight."

It was then that the teacher sat down and cried.

All Female Airline Crew

As the airliner pushed back from the gate, the flight attendant gave the passengers the usual information regarding seat belts, etc. Finally, she said, "Now sit back and enjoy your trip while your captain, Judith Campbell, and crew take you safely to your destination."

Ed, sitting in the eighth row, thought to himself, "Did I hear her right? Is the captain a woman?"

When the attendants came by with the drink cart, he asked, "Did I understand you right? Is the captain a woman?"

"Yes," said the flight attendant, "and so is the co-captain. In fact, the entire crew is female."

"My God!" said Ed. "I'd better have two scotch and sodas. I don't know what to think of all those women up there in the cockpit."

"That's another thing, sir," said the flight attendant. "We no longer call it the cockpit ... Now, it's called the box office."

Sex Pun Joke

A young couple was making passionate love in the guy's van when suddenly the girl yelled, "Whip me. Whip me!" The guy, eager to please, obviously didn't have a whip, but, in a flash of inspiration, opened his window, snapped the radio antenna off his van, and they shared it until they both collapsed in sadomasochistic ecstasy.

A week later, the girl noticed that the marks left by their lovemaking session were starting to fester, so she asked her doctor to check them out.

The doctor took one look and asked, "Did you get these marks having sex?"

Embarrassed, she admitted that she did.

The doctor nodded. "I thought so. In all my years of doctoring ... this is the worst case of Van Aerial Disease I've ever seen!"

Where Did I Come From?

One day, a little boy asked his father, "Daddy, where did I come from?"

"Ah, my son, I guess you'll need to find out one day anyway," said the father.

"Well, you see, your mom and I first got together in a chat-room on internet. Then I set up a date via e-mail and we met at a cyber cafe. One thing led to another and we sneaked into a secluded room, where your mother agreed to a download from my hard drive.

"As soon as I was ready to upload, we discovered that neither one of us had used a firewall and, since it was too late to hit the delete button, nine months later a blessed little popup appeared and said: 'You've got male!'"

He Said, She Said

"What do you mean, coming home half-drunk?!" she yelled.

He mumbled back, "It's not my fault. I ran out of money!"

Medical Advice

Bob: "My doctor says if I don't give up sex, I'll be dead in a week."

Bill: "Really? Why?"

Bob: "I've been screwing his wife!"

In the zoo

Melbourne Zoo in Australia had acquired a female gorilla of a very rare species.

Within a few weeks, the gorilla became very cantankerous and difficult to handle.

Upon examination, the Zoo veterinarian determined the problem. The gorilla was in heat. To make matters worse, there were no male gorillas of the species available.

While reflecting on their problem, the Zoo management noticed Kevin, a big Kiwi lad, responsible for fixing the Zoo's machinery. Kevin, like most Kiwi men, had little sense, but seemed to be possessed with ample ability to satisfy a female of ANY species. So, the Zoo administrators thought they might have a solution.

Kevin was approached with a proposition: Would he be willing to have sex with the gorilla for \$500?

Kevin showed some interest, but said he would have to think the matter over carefully.

The following day, Kevin announced that he would accept their offer, only under three conditions.

"First," he said, "I don't want to have to kiss her. Secondly, you must never tell anyone about this."

The Zoo administration quickly agreed to these conditions, so they asked what his third condition was.

"Well," said Kevin, "You gotta give me another week to come up with the \$500."

Punctuation

An English professor wrote the words: "A woman without her man is nothing." on the chalkboard and asked his students to punctuate it correctly.

All of the males in the class wrote: "A woman, without her man, is nothing."

All the females in the class wrote: "A woman: without her, man is nothing."

'It's quarter to three...'

The distressed-looking man had downed several drinks in rapid succession before the bartender asked him, "You trying to drown your sorrows, buddy?"

"You could say that," the guy replied.

"It usually doesn't work, you know."

"No shit," the man moaned. "I can't even get my wife anywhere near the water!"
