

# *2006 Ohio Wing Combined CAP Conference*

Dear members of Ohio Wing,

Welcome to the 2006 Ohio Wing Conference! I am glad you are here. We have an exciting program planned for you. With seminars in Cadet Program management, Public Affairs, Aerospace Education, Emergency Services and many other topics of interest, this year's conference will be one to remember.

The past couple of years have seen many changes in Civil Air Patrol and the coming year promises to bring more changes in the way CAP operates and manages its missions. You will hear about some of those changes here this weekend. Please ask questions. We are here to learn and exchange ideas. This is also an excellent time to renew old friendships and make new friends.

Have fun and enjoy the conference!

Chuck Carr, Col., CAP  
Commander
