## STUFF for Youth to do at E.M.U.C.

There's so much going on at the Church! Here is a list of things happening at EMUC for youth.

**IF YOU ARE IN GRADE 7 OR 8: Check out JUNIOR YOUTH GROUP!**

This is full of games and food. Youth meet almost every Sunday at 11:15 a.m. in the kitchen. (If you want to attend church upstairs from 11:00 - 11:15, you can, or you can just come to the kitchen at 11:15). New people are always welcome. Bring a friend!

**Check out TEEN TALK**  
You are invited to the music room every Sunday at 11:15 Talk about life and faith in a relaxed atmosphere. In January and February, some of the topics will be: loneliness, fear, and God's love. New people are always welcome. Bring a friend!

## FASTING IN FAITH Overnight Fast for youth from grades 7 - 12

The overnight fast has been a hit with youth at EMUC for two years. This

year, it will be bigger and better than ever! A team of adults and youth are working together with ideas from the Mission and Service fund, Oxfam-Canada, and Canadian Foodgrains Bank

to educate ourselves about poverty and hunger in the world. The 24 hour fast will include lots of fun

activities concerning the causes, and effects of hunger. We will end with

discussing ways to make a difference in our world. The first year, we decided at the end, to sponsor a child through World Vision. We now send \$29 of youth donations to Ethiopia every month. It will be

fun, even without food! We need adult volunteers! Call Debra for more info at 822-8290.

nursery to play with toys. Well, not exactly. Discussion topics have included parents, alcohol, sex, war, and forgiveness. This is the place to bring all your questions and doubts about yourself, life and God. New people are always welcome. Bring a friend! It's all good! In February, we will be beginning to talk about how teens can help others in the world. We will be

doing a community work project in 2000.

**Youth in grades 7 - 12:**  
A team of leaders and youth are planning one event per month for all youth in grades 7-12. The fast is the event for Feb. Ideas and planners are welcome. If you are curious about any of these opportunities, call Debra Brown (Youth Minister-in-Training) at 822-8290.
