March 13 Night at the Races

Performers need to have every part of their costume at the studio on Wednesday night. We need to treat this as a competition. No bra straps showing, bodysuits on the body, tights, BLACK socks, lollis, the whole deal... Also, our photographer will be there so the girls may want to make sure their hair looks cute!

Have we mentioned that boys should be wearing dark boxer shorts under their costume? This makes complete costume changes less embarrassing for all. No wild prints, of course.

I don't know how to put this delicately, but our boys (and girls) really need to use lots of deodorant and be sure to shower frequently. I know this 5th -8th grade age brings about a lot of (unexpected) changes in their bodies, so if your son (or daughter) isn't yet into personal hygiene, we need you parents to force this issue. Thanks!

All fees including parent bus seats and tees need to be paid in order for your child to travel.

We still have 1 more parent bus seat for Teay's (& 6 for Grove City). These seats are \$40.

Please email Kelly if you are interested. We have lots of fun on the bus and would like to fill it. (kjhenninger@hotmail.com)

Today at practice, Ms. B. passed out a list of rules for Main Street trips. There is a place for performer/parent signatures. Of course, we'd like you to hang onto these rules, so could you just sent a note indicating that you have read and discussed travel rules.

A couple of things to note for Teay's Valley...

- ♪ Performers should eat before coming down to the studio on Friday night
- ♪ If at all possible, girls should have their hair in rollers for the bus ride
- ♪ Performers may take snacks on the bus, but only water to drink.
- ♪ Performance time is 10:20. The bus will be leaving the hotel on Saturday morning at 8:15. This is a change from the published itinerary.
