

AHMED SAYED SALEM EL-SHERBENY

CAREER OBJECTIVE:

Industrial engineer; interests in manufacturing , occupational safety and cooperative Education position related to manufacturing

PERSONAL INFORMATION:

Name : Ahmed Sayed Salem Elsherbeny.
Home Address : Helwan St.- El arish - North sinai.
Phone Number : (068) 336 5630, (068) 335 5084.
Mobile Number : (010) 789 5226.
Date of Birth : marsh, 13, 1985.
Gender : Male.
Nationality : Egyptian.
Marital Status : Single.
Military status : Postponed.
E-mail Address : eng_a_sayed@yahoo.com .
The Driving License : 1210

EDUCATION:

Monofia University **Faculty of Electronic Engineering in Menof**

Major Department : Industrial electronics and control engineering Department.
Last four years Grade : Excellent.
Overall Grade : Excellent (%86.25) (With the Grade Of Honor) .
Graduation Year : May/ 2006

WORK EXPERIENCES:

JUN 2007 : Demonstrator in The Faculty of Electronic Engineering
NOV 2006 – JUN 2007 : Demonstrator in Sinai University
OCT 2006 – NOV 2006 : Demonstrator in High Institute of Engineering In El-Arish

GRADUATION PROJECT:

" IAS " **Industrial Automation System** **Water treatment plant using PLC .**

Plc type : micro & nano plc: **Schneider**.
Project Grade : Excellent (%99.5).
Graduate year : 2005-2006.

QUALIFICATIONS:

Languages:

- **Arabic** : Mother Tongue.
- **English** : Excellent fluent command (spoken/written).

Industrial Skills:

- Familiar with programming PLC and Microcontrollers.
- Familiar with PLC of Schneider [nano PLC, zelio "smart relay", micro PLC] and has the ability to understanding any other type of PLC in a few days.
- Familiar with microcontroller of Motorola(MC86HC705 J1A,C8A,B16)
- Familiar with microcontroller of microchip (PIC 16F84, 16F877) and has the ability to understand any other type of MCU in a few days.
- Ability to setup project using PLC and /or microcontroller (Hardware & programming).
- Familiar with Orcad software, Eagle and MultiSim_ElecWorkBench.
- Very good in electronic circuit making (design& implementation).

Computer Skills:

Main Skills: -

- Win 95/98/ Me/ 2000pro/ XP.
- Microsoft Office Package 98/2000/ XP.
- Internet Skills.
- Hardware Skills.
- Back ground in windows server2003.
- Back ground in Linux.

Other Skills: -

- Visual basic 6.
- Matlab.
- Very good in Adobe Photoshop.

Personal Skills :

I can communicate well, work in team, making good presentation of my ideas, and work for long time with high efficiency.

STUDIED COURSES:

- Electrical Engineering
- Control Engineering
- Electrical Power and Machines
- Electrical and electronical measurements
- Linear Control Systems
- Nonlinear control systems
- Micro Controllers (MOTOROLA products (J1—C8—B6) families...
- Programmable logic controllers (PLCs) { NANO – MICRO – ZELIO }
- Medical Electronics & Medical Instrumentation
- Industrial electronics
- Real time control systems
- Digital control systems
- Electrical and Electronic Power circuits
- Intelligent Control Systems (Fuzzy neural networks and its applications)
- FPGA and very high speed Hardware Description language [VHDL]
- Industrial automation systems (SCADA – DCS ...)
- Applications of Industrial electronics
- Robotics (Robotic control system)
- Very large scale integrated circuits (VLSI)
- Logic systems
- Modern control systems (Large scale systems)
- Industrial Measurement Systems

بسم الله الرحمن الرحيم

إلى من يهمه الأمر

تشهد جامعة سيناء بأن السيد/ أحمد سيد سالم الشربيني قد شغل وظيفة معيد في كلية العلوم الهندسية في الفترة من الأول من نوفمبر ٢٠٠٦ إلى الحادي والعشرين من يناير ٢٠٠٧.

وهذه شهادة منا بذلك.

٢١ من يناير ٢٠٠٧

نائب رئيس الجامعة للدراسات العليا
والبحوث والعلاقات الخارجية

أ.د. محمد شريف
