Dear Venue Official,

I'm writing on behalf of my band, The Exhibitionists. We are a seven-piece Ska band from Appleton, WI. We began playing in 1999. For the past two years we've been playing throughout Wisconsin, with major appearances such as opening for Reel Big Fish, The Toasters, Mustard Plug, and Johnny Socko. Last summer, after two years of preparation, we released our debut album on Trapdoor Records. The album, which features 14 tracks (all original), has sold consistently since its release on August 1st.

The majority of the band has spent this academic year scattered around the world at different colleges and universities, but we are very excited about our return to Wisconsin and the summer concert circuit. Our schedule is filling up, but we are hoping that we can fill any gaps with opportunities offered to us by venues like yours.

What we really desire is a chance to spread our music, and would be happy to negotiate any cost with your venue; if the budget is tight, all we would ever ask for is gas money. I've attached a copy of our bio sheet and album so that you can determine for which shows we'd be appropriate. Below you'll also find contact information. Thank you so much for your help, we hope to hear from you in the future.

Sincerely,
 Eric Bjella, The Exhibitionists
