

Daily Class Feedback

This is a quick survey on this class session. It is optional, and anonymous (or not, if you wish). This helps me become a better instructor, and provide better classes. I appreciate your feedback greatly. This is the PRIMARY way I get feedback on my classes.

Overall class Pace / Speed											
Too Slow	1	2	3	4	5	6	7	8	9	10	Too Fast

Please list any comments you might have. I've listed some general questions.

Is there any subject/example/presentation/technique that you particularly liked?

Is there any you didn't like?

Is there anything you feel you did not understand or "get"?

Any suggestions for improvement?

Any other comments?

THANK YOU FOR YOUR TIME.
