

The Butterfly Effect

The simple beauty of live piano and voice - allow The Butterfly Effect to release some living colour into the atmosphere of your function or venue.

The sparkling clarity and warmth of Tania Clarke's vocals, and the commanding artistry of Ben Clarke on piano will ensure all ears take flight.

Delivering popular songs and jazz standards, The Butterfly Effect will add momentum and ambience to any occasion.

If you're looking for music that will have an effect, try The Butterfly Effect.
