

Harkány and the Environments

Harkány offers various and varied recreation possibilities to its guests. Regularly celebrations are accomplished organized, programs for kids, organized exhibitions and concerts. In the evening one can attend one of the numerous restaurants, enjoy a glass of Hungarian wine, hear Hungarian or gypsy music; Harkány has many points of interest to offer. The visit of the medieval castle of Sikos, 4 km away, is highly recommended to all visitors. As a goal of another trip we recommend the village of Máriagyud with its pretty pilgrimage church. The well-known wine place Villány and the there wine museum is worth seeing. Further trip possibilities e.g. a steamship trip on the Drau, an attendance on close convenient equestrian Matty' s farm, a daily travel to the medieval old city of Pécs or even to the capital Budapest.

The Health Bath

The Harkány health spa is famous not only in Hungary, but in also in Europe. Its medical waters are recommended for healing of different diseases, particularly of joint inflammations, rheumatism tables illnesses, certain gynecologic and dermatological diseases (psoriasis). Guests come from all regions of the world for approximately 200 years to Harkány, singular in Europe, because of the welfare water, which is rich in biologically high-activity carbon sulfide (sulfur). The bath expects its visitors in a marvelous, flower-rich 130000 square meters large, multicolored park with all comforts.
