## April Chapter Meeting

Calling all “Blanketeers”! I need YOUR help! I have a lot of blankets that need to be labeled and prepared for delivery. Join us at Christ Way Community Church’s Rec. Center at the corner of Center and Canal St. in Carroll. April 21, 2007 2:00 to 4:00pm and lend a helping hand. Door prizes will be given throughout the afternoon.

I have yarn and material just waiting for someone to take them home and make beautiful blankets! Come pick from our supplies and get busy! Get a free pattern with your materials.

This sweet boy is one of the many recipients of our blankets.

I want to take the time to thank our devoted “blanketeers”. I could not make the deliveries without your help!

Several Local Girl Scout Troops and many individuals.  
THANK YOU, THANK YOU, THANK YOU!

#### BLANKETEER CHALLENGE:

I challenge each of you to tell ONE person about Project Linus. If they contact me and say you referred them, I will send you a special little “thank you”.

This is a local girl scout troop who recently donated to our chapter.  
ENVELOPE QUILT

This is a quick and easy quilt for even the newest of quilter's.

Select the size and type of material you would like to use. With this one I usually use one yard of a cotton poly blend for front and a coordinating color flannel for the back. I then place my materials fronts together (wrong side out) and pin my batting to one side. I sew all around the edges leaving an opening just large enough for my hand, to turn inside right. Once I have turned my quilt, I pin the opening and use a simple zigzag stitch all the way around the edge of the quilt with a thread that matches my colors. I then use a needle and yarn or embroidery thread to "tie" the quilt. Once I have finished the ties it is ready for donation!
