

NATP 2010 REUNION

The third planning session of the Reunion Committee was called to order @1110 hrs in the C&PO'S Mess, Stadacona

Attending were: John Lind, Ernie Leal, Bryan Leask, Clive Pattison, Dick Ferrand, Jack Osborne and Ken Greenlaw.

There were no minutes available from the last meeting and there was no recording secretary available so a temporary secretary was appointed.

Business :Committees and review of where we are

- 1, Finance: Due to health reasons Clive Pattison withdrew his name from the Finance committee. Another name will be added before the next meeting.
- 2, Registrar: Bryan Leask will receive and record all registrations and checks before turning over to the Treasurer. For reunion purposes Bryan is still updating the Nominal Roll and receiving any information on any of those with whom we have lost touch. Remember that Dusty Miller is in charge of the main data bank.
- 3, Tours and Entertainment: Ken Greenlaw has an excellent list of tours and is keeping up to date on costs and availability, which include Harbor Tour and possible evening dinner cruise. Brewery tour and Bus tour (for all you Land Lubbers). A golf day is being arranged at Hartlen Point. George Brownless will be approached to help with arrangements. Please remember that any additional costs for tours and golf will be considered "USER PAY" and will not be included in the registration fee. A separate schedule of fees for various activities will be included with the initial mailout.
- 4, Banquet and Functions: Due to rising costs, lack of suitable parking and the inability of management to confirm accommodations and bookings this far in advance, we will be looking at venues other than the Juno Building in Stadacona. All of our future meetings will be held at the various Legions in the area so that we may check out availability and compatibility for our reunion needs.
- 5, Artwork: Doug Scott has submitted a packet of artwork which can be used in our various communications and will be incorporated as deemed appropriate.
- 6, Timelines: Initial mailout - June, 2009
Cut-off for registration - 30 Apr. 2010

7, Class Reps and Duties: It is hoped that each Class/Entry will have a contact person for info and contacting spouses of deceased classmates. We do not want anyone left out or feeling offended over a lack of communication. So far we have: 1/ Clive Pattison. 2/ Rudy Lauzon. 3/ Ernie Leal. 4/ Bill McRitchie. 5/ ---. 6/ Ken Greenlaw. 7/ --- 8/ ---. 9/ ---
