

On April 24, 2009, the committee held a very productive meeting. Following is an overview.

- Our initial invitation will be sent for posting on the website, early June, 2009.
- Ashburne Golf and Country Club has been booked for all 3 functions, meet 'n greet, banquet and Sunday brunch.
- Thanks to Doug Scott (1) we have appropriate artwork for our letter watermark.
- Golf, bus tour, water tour and Dockyard tour are being arranged. We will also provide updated information on transportation to "Dartmouth Crossings." This is a new and interesting shopping development across from the Dartmouth lakes near Mic Mac Mall.
- Our registration package is being developed to include memorabilia and an appropriate gift.
- Dave Thomson (04) is organizing a Train Trip East. I wish to encourage as many as possible to support him in this and hopefully a few ex-apps will join in along the way. As I said to Dave in an email: "A 3 or 4 day train ride would be a good warm up for our reunion and we intend to make it worth the trip while here in Halifax."
- Our first mail out will be in late Sept, 2009. This will include application forms to be returned to the Registrar, list of available activities and prices depending on the numbers of those interested and a separate list of other things to do or places to visit for those arriving early.
- An extra day has been added for term outings, sightseeing or just plain walking around the city admiring the changes and updates since you were here last.

REMEMBER THE DATES ----- 15 – 19 SEPTEMBER, 2010

SEE YOU THEN ----- THE COMMITTEE
