A Message from District Governor Susan Timmons

Greetings Lions.

It is with warmth, excitement, anticipation and humbleness that I write you this early morning. Many nights find me awake thinking of you, the Lions of the District, and how I might better serve you as you serve your communities. Time has progressed so quickly when I think that the first newsletter will be in your hands prior to my and Lion Rodney's return from Bangkok Thailand. I have no stories to share of the experience there; nor is that what I desire to share with you as my first message.

I want to share that I believe that this next year will again bring change to our communities that we must adapt to in order to better serve them. Economic changes will affect and have an effect upon the things that we have always done. We need to take a look at the needs and assess whether a different approach is necessary to bring relief or a solution as "We Serve".

The International Theme this year is "Miracles Through Service". We Lions have always created miracles with our service and this year is no different. However, I have expounded upon the International Theme to a District Theme of "Take off with Service, Search New Horizons, Land with Miracles." I chose this because I felt that we must search new horizons or ways to assess the need and the way we address that need. As I stated earlier, fast changing economic times may bring a reduction of the community's ability to donate financially while requiring additional funds. This could mean that we serve them with our hands, but our Lions' hands and backs are aging and unable to offer what we once were able. We need to be innovative and remember that sometimes it is the smallest things that matter the most such as a smile, a kind word, or true compassion. (The theme also had an aviation sound from my background if you had not already noticed.)

I also want to help Lions in their understanding and knowledge of the association to which they belong. To that end, we have a goal to conduct five orientation programs for new, young and those of us who need our memories updated throughout the Regions. The goal not only includes information but a creative element of fun while learning. We must learn to multi-task fun, fellowship, learning, and service into our lives as we are mindful of the times in which we live.

I look forward to seeing each of you with a Smile of greeting as I learn what you have done to bring about a miracle.

*Susan Timmons,
District Governor*

An editorial

This is the first 22-W Newsletter of a great Lions year under the leadership of District Governor Susan Timmons. It was in February when I received a call from her, and as she spoke about her visions for our District in the ensuing year, I wondered why she really called! Finally she popped the question – she asked me to be the Newsletter Editor. At first I was in a state of shock, and then as she continued telling me about her visions, I found that I wanted to be a part of them.

So, here I am working on the first edition. Actually I am having such a good time reading about all the great things that are going on in the District that the “work” part is hardly noticeable. Again, it is such an honor to serve all of you, the Lions Clubs, District 22-W and, of course, our District Governor – I will do my best to bring to you an attractive, informative, accurate and useful Newsletter.

A tid bit from the MD 22 Convention in Dover

I know most of you have heard about this, but you *gotta see it to believe it!*

On the first night of the Convention we had an Entertainment Night. A comedian and juggler, Michael Rosman was the entertainment. He had a sidekick (a lady who was a good juggler too) who punctuated the end of each one of his stunts with a resounding “*Taa Daaah!*”

He picked out then District Governor Barb from the audience, fitted her with a helmet and while talking with her quickly got behind her, lifted her up on his shoulders, and then proceeded to mount a unicycle. The result of all this is on your left. Thereafter whenever she entered a room she got a resounding “*Taa Daaah!*”

From District 22-W ALERT Chair Lion Myron Horn

Ever since Lions Club International initiated the Lions ALERT program last year, Lion Myron Horn of the Freedom District Lions Club has been coordinating the District 22-W ALERT Program. However, less than half of the clubs in our District have appointed a local club representative and then followed up by providing that information to Lion Myron. This year a special effort is needed to identify one or more ALERT representatives for those clubs who have not appointed one. Please send name, address, phone, and e-mail address of your club ALERT Chairperson to pamchorn@earthlink.net With this information I can help coordinate any response needed for an emergency in our District.

More from The MD 22 Convention

Another personal note – taking on the responsibilities of publishing a newsletter with inputs from 59 Lions, 3 Lioness and 3 Leo clubs is a challenging endeavor. Luckily there were two people who gave a big boost. You all know them because they were the Editors last year. I can't thank them enough for all the help, assistance and advice they have given. They were great Newsletter Editors! Lions Club International thought so too because Mary and Joe were presented with a certificate by International President Mahendria Amarasuriya. There they are on the left receiving it with IPDG Barbara McKenney looking on.

Glade Valley

In early June, the Glade Valley Club held a "Scholarship Night" with Lion Carroll Shry as the Master of Ceremonies. Five scholarships were presented at that time. Their Golf Tournament will be held on August 1st.

Grantsville

By the middle of June, the club had sold 185 calendars. They would like to sell more. The club approved an eyeglass application for one needy person. They assisted in the community event, "Grantsville Days".

Greater Carroll

Great weather and greater fellowship helped make this year's walk to raise money a smashing success. All the walkers made the round trip across Westminster, including the unofficial guard dogs.

Hagerstown

Melvin Jones Fellowship awards were presented to Lions Paul Leatherman, Gerald House, Bradford Downey, Charles Groh, Theodore Hull, Jack Byers and David Fisher at the Club's 85th Anniversary festivities. Nine graduating seniors and continuing college students were awarded scholarships at the annual Scholarship Awards Ceremony funded by the Massey Roe Youth Foundation which was founded in 1987 by Hagerstown Lions and PID Massey Roe. The foundation has awarded 148 scholarships since 1988. The *Second Annual Discovery Classic Golf Tournament* will be held on July 25 at the Black Rock Golf Course. It is sponsored jointly by the Lions Club and Discovery Station. More information is available at www.discoverystation.org. Click on Golf Tournament.

Hagerstown Lioness

On June 5, PDG David Fisher installed officers for the upcoming Lions Year and presented a Melvin Jones Fellowship to Lioness Jo Rethemeyer. They also welcomed new member Lioness Beverly Nichols. Their last fundraiser was the "Bloomin' Plant Sale" and was a great success despite the rainy weather. They also provided and served desserts at a reception for the graduates, residents, their families and the staff at San Mar. The crowd was estimated to be 150 people.

Hampstead

Hampstead Day was a huge success thanks to a lot of work from the Lion membership. The park will be 50 years old and this will be celebrated on July 20. It will be free for the community!

Hancock

In last month's 22-W Newsletter it was correctly reported that the Club was *not* sponsoring the parade for Apple Canal Days. Since that time the club found a

way to continue sponsoring the Parade.

Jefferson

The White Cane Days collection was a big success with collections setting a new record. Saturday, June 7, was the day for the Spring Highway Trash Collection effort.

La Vale

Members of the Pre-School Vision Screening Group were honored at a luncheon hosted by HRDC Head Start on June 11th. This was in appreciation for the vision screening of the children enrolled in the Head Start Program the past year. Upcoming dates for the famous LaVale Chicken Barbeque are September 5, 6 and 7 and October 17, 18 and 19. The club is saddened by the loss of Charter member Ted Femi. It was he who built the barbeque pits for the Club.

Libertytown-Unionville

The club celebrated the 59th Charter Night on June 17. The officers for 2008-9 were inducted by PDG Gary "Buck" Fisher who also inducted new member, Lion Jack Niemiec. PDG Marion Carmack presented the Melvin Jones Fellow award to Lion Bill Strauss. The last fund raiser of the year was held on June 30. It was the annual Liberty Open Golf Classic. The club will be manning their Pizza Booth at the Libertytown Volunteer Fire Department Carnival from August 4th through August 9th.

Lineboro- Manchester

Two new members were approved and will be installed in the near future. They are selling Delaware Lions Club Car Raffle tickets and brooms at the Manchester Fireman's Carnival from June 30th through July 5th. The club also setup and manned their Hi-Striker at the Mt. Airy Lions Club Carnival.

Middletown

Pre-School Vision testing will take place at the Methodist School on July 7.

Mt. Airy

The Mount Airy Lions Club held its 62nd annual carnival, June 2 to 7, 2008. The carnival is the club's largest fund raising event. The carnival was rained out on Wednesday evening due to a severe thunderstorm; however, the club had a great turnout the rest of the week, making the event a very successful one. The storms destroyed the "Welcome To Mount Airy" sign

which is one of two built and maintained by the club. The new sign, complete with community organization signs and an announcement board, is expected to be in place no later than June 30.

The club has taken over the operation of the long-running Spring and Fall Community yard sales formerly sponsored by the Mount Airy JC's organization. The JC's have ceased operation in Mount Airy and will be turning in their charter. In a meeting with the JC's, the Mount Airy Lions Club also agreed to take over other community projects which include the spring Easter egg hunt and the annual Halloween Parade. The Mt. Airy Lions Club is also actively recruiting former JC's members.

The Club will sponsor a car show "Jam at the Jimmie Cone" on Saturday, July 5 from 4 to 9 PM. Any vehicle may be entered for a \$5.00 donation and it is a "People Choice Award" contest picked by those at the event. The event benefits 11-year-old Jacqueline Hobbs of Mount Airy who is receiving treatment for cancer. The Jimmy Cone is located at Rt. 144 and South Main Street in Mount Airy. Food is being donated by the Jimmie Cone and prepared and served by the Lions. The "Caballero Band" and the Mount Airy Lions DJ will provide non-stop music.

New Windsor

PDG Marion Carmack presided at the installation of officers on June 25. The annual New Windsor Golf Tournament will be held on August 8, 2008 with a shotgun start at 8:30 AM. The Cash Bonanza Fund Raiser, with a Grand Prize of \$1,500, will be held on Saturday, September 27 from 1 to 5 PM at the Fire Company Carnival Grounds. Pit Beef & Chicken will be served.

Roaring Run

These roaring Lions have been operating the concession stand at their park in Finksburg where local and travel teams play. The season lasted 10 weeks and ended on the weekend of June 28-29 with a tournament. Despite many rained-out evenings, the stand has been a hit. This success will enable the club to give back to the community. Three scholarships were presented to Westminster High School students. The Club has qualified as a CSFII Model Club.

Sharpsburg

July 3rd is the date of the annual Independence Day Picnic. Five members of the club attended the Multiple District 22 Convention in Dover, Delaware.

Silver Run-Union Mills

The Basket Bingo was a big success. The Club participated at the St. Mary's Lutheran Church "Strawberry Festival". Mark your calendar for Saturday, August 2nd for the "Silver Run-Union Mills Lions/Union Mills Homestead Corn Roast" at the Union Mills Homestead on Rt. 97 in Union Mills, Md. They will be serving from 11 AM until 4 PM. The cost is \$12.00 per person. Get all the corn you can eat along with a serving of fried chicken. Smithsburg

The Smithsburg Lions Club held their 63rd Charter Night on May 28 at the Mountain Gate Restaurant. PDG Charles Fishback presented the Charter to Lion President Tony Valente. Two Smithsburg seniors were presented with scholarships.

Taneytown

Taneytown Lions Club reached their goal of 10% gain in membership by inducting the sixth member this year at the June 10 meeting. They participated in the Taneytown Firemans' Parade. They will be having a family picnic on July 22.

Terra Rubra

Terra Rubra Lions Golf Tournament will be held on July 18 at the South Hills Golf Course in Hanover, Pa with a 1:00 PM Shotgun Start. A Crab Feed will be held on July 26 at Middleburg Park from 1 PM to 4 PM. (Go to www.terrarubralions.org for more information).

Thurmont

Twelve new members have been inducted during the year; they have jumped right into the thick of things and are becoming important contributors to the Club programs. The New Regional Library Grand Opening is August 2; the club provided equipment to the library to facilitate the visually impaired. At the annual Education Night, 4 scholarships were awarded. They also recognized the winners of the essay contest and the peace poster contest. Other recognition went to students with the most service-learning hours and humanitarian efforts on mission trips.

Valley

Valley held their largest fund-raiser on June 20, the Valley Lions Golf Tournament. Retiring President, Lion Mike Nusbaum is the father of Christopher Nusbaum, a non-sighted 10-year-old boy who has visited many of the Lions Clubs in the region. He is truly an inspiration and also a very good entertainer. The club collected 34 pints of blood and 6 double reds in their blood drive.

Westminster

The club will have a joint meeting with the Deer Park Lions in Gettysburg where they will go on a mini-tour of the Battlefield followed by dinner at Pickett's Buffet. They mourn the passing of Lion George E "Bud" Ditman who was a Life Member with 58 years of service to Lionism.

Williamsport

The Williamsport Lions participated in Halfway Park Days and exceeded their budgeted income for the event. The club sent five members of the club to the Multiple District 22 Convention in Dover, including the 2007-8 District 22-W Bulletin Editors, Mary and Joe Eckert. They were honored there with an International President Award.

Yellow Springs

Yellow Springs had a Basket Bingo Night on June 13. They continue to have a Montevue & Citizens Bingo on the first Tuesday of each month.

How can we convince you that this retreat is an experience you don't want to miss? Talk to Lions who attended one or more of the last seven retreats - they'll tell you! The workshops are informative, the activities are fun (always something new), the relationships you build are lasting, the camp is beautiful, and we have lots of fun! Lions Camp Merrick is located on the Potomac River in Charles County, MD. It is approximately one hour from Washington, D.C. The site is beautiful with 300-year-old oak trees, the river, bald eagles, etc. Sleeping accommodations are heated/air conditioned cabins with multiple bunk beds and a bathroom in each cabin. Birdsong, PCC Rowe Haywood's version of "Reveille", and the aroma of breakfast will greet you each morning. Evening brings a spectacular sunset and a campfire complete with all the marshmallows you can roast! If you are going to stay at the camp you should bring your own bedding (sheets/blanket/pillow or sleeping bag), towel and washcloth, and your own soap and shampoo. Dress is obviously casual. Bring comfortable clothes that you can adapt for warm days and cool evenings. Don't forget your bathing suit for the pool! If you are "just thinking about" coming - call any one of the district leadership chairs and talk about your reservations. We want you there! Don't be left out this year!
