### Judging Program

Judges are not required to wait for dogs. They will adhere as closely as possible to the judging schedule printed in this program. The owner or handler of each dog is solely responsible for having it ready at ringside when its class is to be judged. The show-giving club and Secretary have no obligation or responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required. Being an unbenched show, you need to be at the show only in time for your judging and may leave any time after judging. Numbers after each class represent the number of dogs entered and the number of bitches entered, respectively in that class. For your convenience, the following class divisions have been carefully tabulated; however, neither the Club nor Show Secretary assumes responsibility for absolute accuracy.

The total number of dogs entered in the show is 51 with a total number of entries being 75.
